Biographical Note

Maine Lesbian Feminist was a group in Belfast, Maine whose primary purpose was to publish a newsletter. The group existed from about 1976 through 1984.

Description of the Papers

It is difficult to tell whether or not this collection is a complete run of The Maine Lesbian Feminist newsletter. The newsletters are not given volumes or numbers, only the date of that particular newsletter.

Included with the newsletters are miscellaneous office files, such as mailing lists and political task force information.

The majority of the newsletters were sent to people in Maine.
