"Love Makes A Family" A Huge Success!!

The "Love Makes A Family" photo-text exhibit, shown at the Spring Street Gallery in Belfast between September 5-13, was an overwhelming success! Over 150 persons attended the Friday night opening reception. It was a wonderful time, perhaps the "social event of the season" in town! The panel discussion entitled, "Living In Gay and Lesbian Families in Mid-Coast Maine" attracted some 70 people. More than 200 additional patrons visited the gallery during the exhibit's 8-day stop in Belfast. Many wrote tremendously positive comments in the register after viewing the exhibition.

We have so many people to thank for making this event the success that it was! First, our gratitude to Sam Mitchell for providing such an exquisite space and his remarkable presentation of the exhibit! Kudos to the 18 volunteers who worked as gallery monitors, allowing us to keep the gallery open for a total of 77 hours during the week! In addition our thanks to the six panelists, each of whom shared his/her personal story, and to Martha Piscuskas, who moderated the panel discussion. Our appreciation also to Cathy Muzzy for

coordinating the refreshments for the panel program, and to all those who contributed goodies to the event. Most of all, a HUGE THANK YOU to Mitzi Lichtman, who worked tirelessly for months to make this event happen!

You are truly remarkable,
Mitzi!

MLGPA Planning Massive Response To Christian Civic League's Petition

The Maine Lesbian and Gay Political Alliance (MLGPA) is gearing up to respond to the Christian Civic League's petition drive to overturn the Anti-Discrimination statute which was passed by the Maine Legislature and signed into law by Governor King this spring. We have much to do, and very little time in which to do it!! For those of you who fought this same battle in 1995, it's *deja vu* all over again!

MLGPA will be holding its annual meeting this Saturday, September 27 between 10am-1pm at the Universalist Unitarian Church off Winthrop Street (near Library) in Augusta. The issue of our community's action to prepare for the anticipated referendum is certain to be THE topic of discussion!! Please attend this meeting if at all possible ... bring your ideas about how we can mount an effective, visible, far-reaching offense against the CCL's bigotry!! Call Betsy King, MLGPA President, at 207-774- 5721, ext. 164, for more information or to lend your ideas.

Pat Peard of "Maine Won't Discriminate" has indicated that MWD and MLGPA will be needing lots of volunteers to verify the validity of the CCL petition drive signatures after October 18. Call 1-800-55-MLGPA for additional information or to volunteer your time in this important effort!
