Well folks this was going to be the issue that I was going to say, "sorry this is going to be the Last issue of Fruits Of My Labors." However some of the folks I mention it to ask me to hold off a little longer. The reason I was throwing in the towel was, I thought people were not interested in it any longer, or they couldn't afford to renew their subscription. But with the increase of postage and printing cost I could not afford to support it alone. I still feel there is a need for it out there, to help keep people informed as to what is happening and where. So I'm sending out a plea for HELP if you still want this publication to keep going. If you don't I can accept that and let it go, thanks, please let me know how you feel.

Jean has told me that she may have to discontinue the newsletter because people aren't renewing. I live in Lincoln County and this is our only link with Waldo County. So please renew your subscription, so we can continue this important link in the community. Polly Dalton
