Election Day is November 3!! There is still a lot of work to be done and supportive legislators need your help! Remember... many legislators supported LD 1116 (the civil rights bill) and their constituents then voted to repeal it on February 10. Those legislators need to know they did the right thing by voting for the bill. By supporting their campaign, we can demonstrate the LGBT community’s strong voice in the electoral arena.

This newsletter is devoted to races that MLGPA has deemed most urgent — races where either supportive incumbents are in tight races or new candidates are trying to unseat non-supportive incumbents. All supportive candidates in this issue have been endorsed by MLGPA. (A full endorsement list was included in the August newsletter).

Please take the time to find out who’s running in your district. Find out where they stand on the issue of civil rights. Ask them whether they would vote for a civil rights bill in the upcoming session. If they say they will, then go work for their campaign. Some candidates need volunteers, some need sites for signs, and ALL need financial support. If you live in the following districts, or anywhere in the state for that matter, please contact the candidates and offer your services.

**Senate District 7** — Orono, Old Town and surrounding towns — SEN. MARY CATHCART, Democrat, incumbent, has been a very supportive legislator in both the Senate and House. She is being challenged by Robert Fiske, Republican. Contact information: Sen. Mary Cathcart, 120 Main St, Orono, 04473, 866-3054.

**Senate District 8** — Greenville and surrounding towns — REP. SHARON LIBBY JONES, Democrat, is running against Paul Davis, Republican. Rep. Jones is currently serving her first term in the House and voted for LD 1116. She is running for the senate seat which is currently being held by Stephen Hall. Rep. Jones is in a tight race and needs all the support we can give her. Keeping a progressive seat in Greenville is vital. Contact information: Rep. Sharon Libby Jones, PO Box 1191, Greenville, 04441, 695-2604.

**Senate District 11** — Searsport, Winterport, Liberty and surrounding towns — SEN. SUSAN LONGLEY, Democrat, incumbent, is a strong advocate for LGBT civil rights. She chaired the Judiciary Committee when LD 1116 and LD 1017 (ban on gay marriage bill) were being debated. She has not only advocated for us in the legislature, but has attended all meetings since February 10 to determine how to best reachieve civil rights. She also participated in the Civil Rights March and Rally on October 10. Her opponent is Thomas Crandall, Republican. Contact information: Sen Susan Longley, RR 1 Box 1108, Liberty, 04949, 589-4353.

Contact information: Chris Krauss, PO Box 265, E. Wilton, 04234, 645-2241.

PRESIDENT'S REPORT:

Conversation was held on our achievements, including an in-depth discussion of Dirigo Alliance, our relationship to it, our responsibility to it, and its importance as a progressive organization.

Finances and membership were discussed at length, highlighting our progress and areas for improvement. PJ Mears has agreed to take on membership chair, and by instituting a new systematic membership program, membership should serve as a strong basis for our financial support.

SPECIAL EVENTS:
Maggie Allen reported on upcoming events: Common Ground Fair, Halloween Ball (October 31, at Holiday Inn By Bay in Portland), and '99 Banquet (set for March 6, 1999). Proposed (and motioned) for Banquet was new Youth in Leadership Award, by Erik Richard. Wording reflects that the award will be for youth 24 and under. Motion passed.
DIRECTION AND GOALS FOR UPCOMING YEAR:
Legislative presence (for pro & con legislation), support coalition for civil rights, be well
prepared for referendum campaign, growth of financial base due to 501c3, and part or full time
staff by 9/99. Also suggested as direction or goal was attainment of domestic-partnership
benefits, at least in Portland, to make civil rights easier to attain.

TRANSGENDER EDUCATION:
PJ Mears advocated for us to continue to educate ourselves and eventually decide whether to
move forward on the “T” issue. Several people proposed that we hold another retreat that is
open to our membership and anyone else who wants to attend, including legislators.
