## Class Ode

---

Sunny past! we'll n'er forget thee  
Nor these classmates all so dear,  
We will cherish thy blithe spirit,  
It will brighten each new year.  
And as time rolls swiftly onward,  
May its streams forever flow  
Bearing memories of friendships  
That will never cease to glow.

Oh, sweet present we must leave thee  
Sever ties that bind us here,  
Others soon must fill the places  
Which to us have grown so dear.  
In the sweetness of the Junetide,  
We must bid a last adieu  
To the ones who've kindly guided  
With an int'rest deep and true.

Angel of the unknown future!  
Hover o'er us on our way,  
Though the path be rough and toilsome  
From its bounds we will not stray.  
Let "Not for ourselves, but others"  
Be our motto ever new,  
And the strength of God sustaining  
Keep us to our purpose true.

MILDRED E. KEENE.
