

I have gotten something  
but as I had not thought  
of going to the wedding  
I forgot all about it.  
Are many of the girls  
there at the center  
going do you know?

Grace and I are  
planning to go snow  
shoveling to-morrow  
morning if nothing  
happens I think it  
will be fine.

There were only five  
of us girls who came  
out on the seven o'clock  
train Friday night  
and we had a good

My dear Maamma -

I have just got home  
~~from~~ the evening  
meeting and must  
write my letter to  
you now. I did not  
go to meeting this  
morning as the  
walking was very  
bad but it has  
frozen up since  
then and now there  
is an elegant  
crust.

I have read the book  
called The Little Minister

to day and I think it is fine.  
You would like it I think.  
I looked for a letter from you  
yesterday but did not get one.  
Did papa find the things  
that he lost out of his pocket.  
We came out of Portland at  
half past six Friday night.  
So did not get out here until  
after seven.  
We had a real good time but  
I was awful tired.

Mrs. Davis the principal of the  
Training School Springfield Mass  
was one of the chief speakers  
Friday and she is out here  
spending Sunday. I do not  
know how long she is going  
to stay.

Oh I just happened to think  
that I ~~had~~ <sup>have</sup> not any present for  
Annie Collins and I don't know  
what to do about it. If I had  
thought of it Friday, I might

It is the same old thing  
over and over and I  
am getting rather tired  
of it. I would like to  
have something exciting  
happen once just for  
a change.

I have got a good deal  
of work to do tomorrow  
and so think I had better  
go to bed and get rested.

Good night

With love to all

Harriet.

We chose our class  
president yesterday.  
Miss Cagin was elected.  
She is a girl from  
Riverm<sup>or</sup> and we have  
always liked her.

1205  
time coming. It was  
awfully dark and the  
walking was dreadful  
So Eunice and one  
of the other girls got  
their feet soaking wet

To night when we  
went to meeting we  
were in a hurry &  
the hill was just  
a glass of ice and  
of course I had to  
fall down and  
slide half way to  
the bottom of the hill

Has Ernest tried  
his swordshors?

Was there a piece  
of music among  
that which we sent

For called the Dewey March.

Miss Stone the teacher in gymnastics has asked me to play for the work in drum & bells but I think I shall not as I have no good marches and I cannot keep good enough time for her as she has to have every thing very exact. I have got enough to tend to any way without that and I would have to play from now until June if I began.

I will send Aunt Ida's letters something to-morrow so that you will get them by Tuesday I think. I cannot send them in the morning mail because I will have to wrap the bundle myself as I do not know about the postage. Probably you will get them - Tuesday morning.

I shall send my regrets to Miss Collins I suppose.

Well I can't think of anything to write about for nothing happens over here to write about.
