ODE

*Amid the paisley shades of fall,
The heights, the green, and all
The moving music of the years,
Was there an answer to our call,
Was there a beam of light so small
To hide the loneliness and fears?*

*Above the heights, the green, and all,
We found the light so small
That hid the loneliness and fears.
We hear the answer to our call
Amid the vibrant greens of spring
And moving music of the years.*

Chorus:

*The nights, the lights of every day,
The halls, the music and our song,-
But now the years are bound and stayed
And only time goes on.*

*Words, Aletaha Crosier
Music, Ann Cummings, Nellie Ames*
