CLASS ODE

Words: Ardis Emery

I

*Time has sped on all too swiftly,
With today our school days through.
All too short, our stay at Gorham;
We must start our journey new.
Now has come the time for leaving;
Bid farewell to learning's start
And the friends who stand beside us
As our duty bids us part.
Can we then accept the challenge,
Leave our sheltered world behind,
Guide the youth as is our duty,
Shape and stimulate the mind?*

II

*Though today we've reached a foothold,
Still the struggle is not done;
Now we must ascend the mountain
And the summit must be won.
We must then accept the challenge,
Leave our sheltered world behind,
Guide the youth as is our duty,
Shape and stimulate the mind.
For today we've reached a foothold;
Yet the struggle is not done
Now we must ascend the mountain
And the summit must be won.*
