EVENTS (CHANGING):

NOVEMBER

November 4 (Wednesday). **Damariscotta. Was it or Wasn't It? Discerning Discrimination. Lunch and Equality with Maine Human Rights Commission Executive Director Amy Snierson.** Come and share your story with Maine Human Rights Commission Executive Director Amy Snierson. Co-sponsored by SAGE Maine and Spectrum Generations Coastal Community Center, 521 Main Street in Damariscotta will

host its weekly Lunch and Learn program on Wednesday, November 4 at 11:15 am. Following the luncheon Amy Sneirson, the Executive Director of the Maine Human Rights Commission, will discuss how the Maine Human Rights Act can help community members across all generations, especially those who wish to age in place, knock down discriminatory barriers as they seek to stay involved in their communities. Maine's seniors can face many challenges as they go about their busy lives, including misperceptions about physical abilities, stereotypes about older people, and needing accommodations for disabilities. Maybe you weren't considered for a work opportunity because people assume you'll retire soon (when you have no intention of doing so), or you want to participate in a Town meeting but can't hear the presentations, or a landlord dissuaded you from renting an apartment because "the stairs aren't safe for people like you." The Maine Human Rights Act - Maine's anti-discrimination law - offers protection to aging Mainers with respect to all those challenges as they arise in employment, housing, and public accommodations. SAGEMaine, co-sponsor of the Center's November 4 luncheon, and the Maine Human Rights Commission are "seeking stories from all community members and questioning adults regarding discriminatory practices which they may have experienced within their community. These two organizations are especially hoping to hear from members of our sexual and gender minority community and their allies." Please join us on November 4 and share your story either as part of the luncheon program or during the bi-monthly SAGE Maine drop in conversation and connections gathering at 1:00 p.m. at the Coastal Center. **Luncheon Reservations are required. Please call 563-1363 by noon on Monday, November 2, to make your luncheon reservation** (American Chop Suey). For those over 60 years of age the suggested donation is \$5.00 per person. All others Coastal's lunch and learn program is an affordable dining choice at \$6.00 per person. Can't make it to lunch? Community members are always welcome to attend the Center's Wednesday Learn portion of the day's Lunch and Learn program, which will begin at noon. Amy Sneirson, Esq., who was the managing attorney of the civil rights program at the Maine Center on Deafness, was sworn in as the Executive Director of the Maine Human Rights commission on December 12, 2011. The Human Rights Commission is the independent state agency that helps enforce Maine's anti-discrimination law, the Maine Human Rights Act.

November 5 (Thursday). **Waterville. Lecture: "I am what I will be": Trans Jewish theology.** At 4:00 P.M., Pugh Center, Colby College. Joy Ladin, Yeshiva University, the author of Through the Door of Life: A Jewish Journey Between Genders, will offer a personal introduction to the emerging discourse of trans theology. She'll reflect on the Hebrew Bible's portrayal of God and the human-Divine relationship through the lens of her own transgender experience before and after gender transition. Co-sponsored by the Jewish studies program, the Office of Religious and Spiritual Life, the Office of Gender and Sexual Diversity, and Colby Hillel.

Laura's Playground. Transgender Suicide Prevention and Support Site. Jessica writes: I'm a moderator at a transgender suicide prevention and support site. It's a wonderful place with a live chat and lots of information. The chat runs 24 hours a day and I don't remember the last time there wasn't a moderator present. We screen the chatters to make sure we keep out 'admirers' and anyone who might harass. All moderators go thru suicide prevention training thru <http://training.sprc.org> as well as training from the administrators and supervisors. And it isn't only for suicidal individuals, a lot of TGs just go there to chat with people who understand their situation. I personally have found lots of support there and made some great friends. The people there are always willing to help answer any questions someone might have. Maine doesn't have much support to offer to TGs north of Bangor, or even much in Bangor. I just want to make sure that people know that Laura's Playground is around to offer support, answer questions, and help people find the resources they need. You can find it at: www.lauras-playground.com

Maine Gay Outdoor Network Events (MEGONE) is a yahoo group site/email list for Maine's GLBT? folks (& friends) for posting announcements of outdoor related events. It's not a formal club or organization--just an informal way to let folks know about outdoor activities that they might like to participate in--whether it's a hike, a paddle, camping trip, nature walk, or even a downtown shopping walk---it's up to you. This is not meant to compete with other groups such as the Chiltern Club--it's just an idea that some of us came up with on a recent trip to Baxter State Park :-). So, if you'd like some company the next time you take a hike, go on a bike ride, paddle, etc., just send an email to megone@yahoogroups.com to let members know the details. To join the group, go to <http://groups.yahoo.com/group/megone/> Please pass the word along to other gay-related lists/groups--the more people who join, the more opportunities there will be for connecting with like-minded folks for some great outdoor fun. Right now, the membership is "open" to anyone who would like to join....however, if we have any problems with folks who are not gay-friendly, I may change it to a process requiring membership approval. Also, people posting should use discretion regarding publicly posting time/place to meet--you may want to simply say "anyone interested in details, please email me at _____, or call me at _____" Any questions? let me know! (mikeondavispond@yahoo.com)

THE WHO, WHAT, WHEN, WHERE, WHY, AND HOW OF THE FAMILY AFFAIRS NEWSLETTER:

All communications to FAMILY AFFAIRS should be sent to zack@familyaffairsnewsletter.org (Be sure to include the words "family affairs" or "The FAN" in the subject line). Note that FAN issues often show up in your inbox from thefan@maine.rr.com due to technicalities of the internet.

WHAT IS "FAMILY AFFAIRS" ?

FAMILY AFFAIRS is a free, twice-a-month, social activities newsletter for the GLBTQI (gay/lesbian/bisexual/trans/queer/intersex) community, sent out around the 1st and 15th of each month. It covers the State of Maine only. The list was graciously begun and maintained for many years by Jean Vermette in Bangor. It is now operated by Zack Paakkonen of Portland. It's crept somewhat beyond a social activities newsletter into a business directory, classified ad service, and community bulletin board. Someday, it may also become a website.

WHO CAN SUBMIT NOTICES TO "FAMILY AFFAIRS" ?

Anyone! This is your chance to organize your own activities and get some GLBTQI-family company for those fun and interesting things you'd like to do. Do you want to host a potluck, attend a concert, or have someone to join you on that bus tour to Boston? Are you looking for someone to join you at the hockey or baseball games, for hiking, or to go to that special art exhibit? Are you looking for canoeing, golfing, camping, or fishing partners? This is the best place to look. Think up something fun to do, organize it, and let us know about it....it's easy!

CAN I ORGANIZE AN ACTIVITY THAT DOESN'T INCLUDE "EVERYONE" ?

Yes. People who want to organize an activity for the GLBTQ and/or I community are free to set whatever requirements or restrictions they want to on the activity they're organizing. If you want to organize a "women only" camping trip, a "men only" drumming night, a "youth from age 18-24 only" dance, or a day trip to a water park for GLBTQI "couples with children", that would be fine.

CAN I POST A SOCIAL ITEM THAT'S NOT GLBTQI FOCUSED?

But of course! Not everyone who watches women's basketball is a lesbian! If **you** want to organize an activity around something that is "mostly-straight-but-GLBTQI-friendly," then do it! However, outside events (such as holiday fairs, festivals, the local chamber of commerce, etc.) that are not focused on the GLBTQI community and do not have a significant GLBTQI component will not be listed in the FAN.

ARE THERE ANY DEADLINES OR REQUIREMENTS FOR POSTING?

If you want to be sure that your posting will make it into the next issue, please send it to zack@familyaffairsnewsletter.org no later than four days prior to when the next issue comes out (in other words – three days before either the 1st or the 15th of the month). Although I can try to get a last-minute post into the next issue if you mail it later than my deadline, I can't guarantee it will make it. I accept postings from FAN subscribers only, no obscenity is allowed, and I reserve the right to not include a posting for any reason (although if I do reject a post, I will attempt to let you know the reason).

HOW DO I GET ONTO OR OFF THE MAILING LIST ?

Just email me and ask to be put on (or taken off) the list: zack@familyaffairsnewsletter.org

CAVEATS:

All newsletters are emailed BCC, and the email list is not given out to anyone. Still, keep in mind that while this newsletter is for the GLBTQI community, not everyone on the mailing list may be a "family" member. People ask to be put on the list and I put them on. There is no interview process or attempt to verify LGBTQI status. It's up to you to behave appropriately for whatever level of anonymity/security you feel you need. Also, listings are posted with information as is submitted to me, and I do not verify them so

have no independent knowledge of the accuracy, truth, or falsity of any posts, events, advertisements, job listings, rental listings, etc. Respond at your own risk. Please note also that FAN issues may show up in your inbox as coming from thefan@maine.rr.com instead of from zack@familyaffairsnewsletter.org due to technicalities of the internet and the vagaries of your ISP and e-mail program. It's still the same FAN from the same sender.
