General Announcements

Contact List. So far there has been a new lesbian contact list made at each statewide meeting. The understanding has been that the women signing their names/addresses on that particular list gave their consent for all the other women on that list to have the address information. Now we would like to collect all the names onto a master list to be made available to all the women who have signed all the different lists. We don't want to violate the privacy of any woman who thought she was giving her name only to find a woman at any one particular meeting. So please, if there is anyone who signed one list but who does not want her name to be printed on the contact list, write (over a postcard) to Diane Elze, Box 282, Milford, Me. 04461, so that she can remove the name and protect that individual's confidentiality.

Lesbian Gay Lesb. Force Cookbook. Do you have some deliciously recipe that you would like to share with the Gay community? If so, why not contribute it to the LGFL Cookbook, the first certifiably gay cookbook anywhere. Please send your ideas, the name or nickname of the person to whom it should be credited, plus an amusing anecdote, if you wish, to LGFL Cookbook, P.O. Box 4542, Portland, ME 04112.

LGFL Newsletter Contributions. Are any women interested in writing a monthly article or column for the Lesbian Gay Lesb. Force newsletter? How about just one article without a continuing commitment? Since the Newsletter does represent a mixed female/male Gay community, your contributions as women are needed to keep the presentation balanced. Please send any contributions or inquiries to LGFL Newsletter, P.O. Box 4542, Portland, ME 04112.

Lesbians at the Gay People's Alliance. Two Lesbians, Wendy Ashley and Julia Gies, are now getting work-study funds for working at the Gay People's Alliance at UMG, 92 Bedford St., Portland. They may be contacted at 773-2981, ext. 535.

December 18 - Darnie at Ororo, Ram's Horn
Cottchase (tentative). Darnie will know for
sure by the 11th.

Sorry folks - but the stencil wasn't
typed in a way that made the
impression deep enough.

Reborn - with this type of a stencil,
it would help to take the plastic
cover off before typing.
