## NOTES and STUFF

It has recently been submitted to the staff of the INDEPENDENCE that a pit containing alligators be put in a very conspicuous place for the students of PJC to view. It is assumed that this

may stimulate and may attract attention and give a little spark to the "boys". In order to make it more interesting it was also suggested that lots be drawn every morning to see who will entertain the 'gators.

To the "lucky" one who draws the right number, will go the privilege of helping one or two of the creatures out of the pit, after all, an alligator needs a hand once in awhile too!

## SKI-CLUB----

Skiing time is coming and the PJC Ski Club will soon be under way. The lure of the outdoors should attract many of the students. Many of the students should avail themselves of the opportunity to learn to ski. If interested, see Al(squirrel) Clarke.

## A CHEER----

A cheer for the ones responsible for today's assembly. We liked it.

## Sno-Ball Due Tomorrow

Tomorrow night at 8:00 PM you will hear fine music from the gym. This is just to remind you all not to forget the dance. Come one, come all. Buy your tickets today.

## CAMERA CLUB----

Last Monday, the Camera Club of PJC, held its weekly meeting, as it does, every Mon. evening at 7:30. A little extra special treat was provided for the members.

Prexy Scott Lovejoy showed "colored slides", which were of excellent examples of good photography.

The club is looking for more members. Any one who is even remotely interested in photography is welcome.

It's a good chance to learn and also to give your own views on the subject.

For more info, see any of the members of the club. They will be glad to talk to you.

## LEATHER CRAFT NOTED--

Those club emblems that Dick Morrison has done in leather are tremendous.

## SORRY ONLY ONE PAGE

THIS WEEK. WE STILL HAVEN'T RECOVERED FROM THE STRAIN OF THE LONG VACATION. SEE YOU NEXT WEEK WITH TWO PAGES.

## The Newsance

### IS A NUISANCE!

It might be well to note that in the past few weeks, the editors of the newsance have been severely knocking the students of PJC for their apparent lack of interest in the clubs and activities. In place of trying to interest

the men of our school, the newsance advocates condemnation. Who wants to read a "paper" that continually slaps its readers in the face?

We, of course, are thinking of their references to the fine students as "deadheads" and the like. We don't agree.
