

To the Chancellor, Trustees, and
President of the University of Maine
at Orono

Dear Boardmembers;

The Wilde-Stein Club at the
University campus in Orono has
mixed emotions concerning the
last 6 months. We do however
wish to commend you ~~for~~ on
what we know for ^{reasons of} political,
emotional, and personal philosophy
~~was~~ a must have been a
difficult decision to make ~~for~~ on behalf
of what amounts to the total
community of the State of Maine.

The Wilde-Stein Club ~~feels~~
~~because~~ not only ~~does~~ ^{require} it wish to
demonstrate the civil rights of gays;
more importantly and perhaps ~~the~~ the
~~greatest~~ highest goal the club fights
for the purpose of creating a more
healthy sexuality for all citizens.
~~Anthropologists, sociologists, and~~
~~psychologists and the medical~~
~~community~~

We believe that open communication
by means of an educational program
conducted on by our club will
contribute to the understanding of

each persons sexuality and lead
to a better attitude throughout our entire
~~whole~~ culture.

We are concerned as are you
for the funding of our University
system. We regret that ~~our~~
~~that~~ negative publicity may have
adversely affected that funding.
We wish to cooperate with
the administrators and perhaps
can even find some more positive
image which will be an asset
in the political-economic sphere.

A cordial invitation is extended
to each of you to attend our
April conference which could turn out
to be the start of the sought after positive publicity.
Most Sincerely
as J C
