Dance USM!

directed by Lew-Ann Leen

February 4, 5, 6, 1999

Main Stage, Russell Hall
USM Gorham campus

Director's notes

The first time I heard of the Dance Festival at USM was when a friend asked me to dance with her to a song she had written and recorded. At this time, there were maybe 20 dancers performing in 7 or 8 numbers. Each dance had different people in it and all the groups worked separately, coming together for the first time during tech week.

Today *Dance USM!* has grown considerably. We have 47 dancers participating in 16 dances, but the biggest and most satisfying growth is in the comradery and company feeling the show has taken on. We now meet several times as a group, choreographers help each other with their work and dance in each other's pieces. Some dancers are working with as many as 9 choreographers. There is even a dance club on campus, where people can meet and dance throughout the school year.

This year instead of two, we are offering three great nights of dance with a wide variety of styles and experience.

I wish to thank everyone involved in this year's festival for their hard work, creativity and love of dance and you for your continued support. May we continue to grow.
