THE FRESHMAN VIEWS
By Joe Michaud

The most promising party in many years needs your votes. The University of Maine in Portland Criterion Party is running in the next election, presenting as its president, Mike Nicholos, who is active around the campus. He is a member of the Camera Club, Jazz Club, and Radio & T.V. Club.

Art Tordoff will be running as vice-president, Dick O'Connell as Secretary-Treasurer. If Mike is elected he would like to put a member of the freshman class on the school council, he would also like to institute as a tradition an annual semi-formal freshman dance.

According to Mike this is a club of new ideas, he says, "We want to create an impression, we want this town to wake up and realize that this is a college and not a Prep school.
