The secretarial and treasurer's reports were read and approved. A list of the prospective members was read by the secretary. It was decided to bring up each prospective individually to be discussed and voted upon by secret ballot. Arthur Jacobson brought up the fact that he did not know one of the prospectives, and therefore could not vote intelligently. After considerable discussion, Michel Sandler suggested that any member, if he wished, could abstain from voting for such a reason.

Jerry Fisher, president, reiterated the fact that we were voting for candidates who were acceptable to the Club. Those voted upon favorably would be invited to the following meeting. They would then decide if he wished to become a Macabee. The following candidates were chosen:

Stanley Sclar
Barry Potter
Kenneth Davidson
(All are Freshmen.)

1. The first thing I noticed when I stepped out of the plane was the cold. It was a sharp contrast to the warm, humid air of the tropics. I shivered slightly, pulling my jacket closer. The ground below was a vast, flat expanse of green, dotted with small, dark patches. In the distance, a range of low, rolling hills could be seen under a pale, overcast sky. The air smelled fresh, with a hint of earth and a touch of pine. I took a deep breath, feeling a sense of freedom and adventure. The journey had been long, but it was worth it. I was finally here, in a place that felt like a new world. The first step was the hardest, but now I was ready to explore. The road ahead was long, but I was determined to see it through. The first day was just the beginning.

BUSINESS

Martin Garon entertained a motion that any prospective member in the future would have to choose between the Maccabee Club and any other Jewish fraternity. Discussion followed. Barry Levine pointed out that split loyalties and hard feelings should not exist among Jewish organizations, and therefore, we should defeat the motion. Michel Sandler suggested that we join with Mu Sigma or any other national organization, particularly the A. J. P. S. Martin Garon defended his motion to the effect that we are an exclusive, selective club, such as the Centaurs, and not a service club, such as Ki Yi or Center Youth.

Martin Garon's motion was defeated by a vote of 8 - 5 after a controversy arose as to whether the president is allowed to vote if his ballot is decisive in the decision. Even with his vote, there was not a three-quarter majority needed to pass the motion.

Ellis Goldman pushed thru a motion that we amend the caption on the Mu Sigma booster to simply state: Compliments of Macabee Club. Barry Devine moved that we donate a \$1 add to Ki Yi. This was passed.

Ted Cutler reported to us that Jeff Snyder would not be able to attend meetings on Friday night because he is of strict orthodox parentage, and therefore, since we are a Jewish Club, we should alter our day of meetings. Discussion followed and pro and con were presented. Barry Devine suggested that we table it for the following meeting. The suggestion was turned down. Ellis Goldman entertained a motion that we have meetings sometime on Sunday. Ted Cutler attached a rider to the motion to the effect that we have the next meeting on Friday to plan the paper drive and to establish a set time on Sunday. The motion was passed 10-3. After Barry Potter had suggested a motion that we repeal the wearing of sportjackets law, Barry Devine arose and blasted the noisy and slipshod meetings we had been in the habit of having in the past. He also deplored the bickering on insignificant subjects and

expressed regret that the existence of the club was in grave jeopardy and that stern measures be taken against those who were excessively noisy and carefree during meetings. Phil, Kenneth Davidson entertained a motion that a paddle be meted out to individuals who were charged with a blackmark. The motion was passed. If, in the near future, the law was no longer needed, it may be discarded. This was the expressed hope of all members present.

Arnon Burke reported that Snyder's Men's Shop will sell us emblems for a \$1.94 a dozen.

Ronald Drogin suggested that we think over plans for a Club party.

Both clubs are to pay for Joe Smith, his traveling expenses, and all publicity. The owner of the Old Orchard Palace reported to us that he wants 40% of the total take. Barry Levine made a suggestion that we persuade him to pay for advertisement and publicity. This would include newspaper and radio. The dance will be discussed on a further date.

Ronald Drogin delivered another "stock" report. Cited for track were: Martin Baron, Saul Goldberg, Barry Levine, Ellis Goldman, Ronald Drogin, and Jerry Cohen. Norman Bress was cited for swimming and Kenneth Davidson for basketball.

BASKETBALL TOURNAMENTS:

During February vacation, the J. C. C. entertained two teams that invaded Portland from Dorchester. Macabee men comprised half of both Center teams. The first game was a hard fought affair that saw the Center come on strong and then gamely fight off a pressure packed last period drive generated by the Dorchester boys. The final score was 31-29. Kenny Davidson played an outstanding floor game and generally sparked the team with his distinctive fiery brand of play. Marty Baron and Louis Kornstein

provided much needed rebounding strength and were great on defense. In the second game, the Center was not so fortunate. Greatly handicapped by height, we went down to defeat 43-31. Fielding four big men, the Dorchester team gradually wore down our only fighting big man, Saul Goldberg, who battled gamely to the end. Also gamely battling were Larry Shapiro, Aaron Burke, Stu and Barry Potter, and Mike Sandler.

A week later, an all Morabee team took the floor in the Deering High School Tourney. Our first game was unbeatable for sheer drama and suspense. Down 10 points at the end of the first period, 13-3, we fought fiercely back until the game ended in a deadlock, 28-28, with fiery Kenny Davidson slated to take a foul shot. With us on the verge of lunacy and with the entire eyes of the gym upon him, Kenny calmly bounced the ball in the overpowering silence, dipped smoothly, and ripped the net for a 29-28 victory. Carrying Kenny on our shoulders and into the shower, the school shook with our yells for at least an hour after. A day later, in the semi-finals, we were pitted against a team almost wholly made up of varsity players. We were eliminated after a savage rebounding battle 46-29. In both games, our team consisted of: Kenny Davidson,

Jerry Fisher, Ronald Drogen, Stu and Barry Potters, Marty Garon, and Louis Bornstein. We were short on height and experience, but long on fight and spirit.

The Weekend

The Joe Smith dance was held on May 30th and was a great success. Each club made a \$30 profit. After the dance, Jerry Fisher, Martin Larson, Louis Bornstein, Cedric Minkin, and Aaron Burke were invited by Ronny Mack to stay in his cabin for the weekend. Pardon the expression, but a hell of a time was had by all. These Club members were joined by many others and after a while, hardly anyone, especially Martin Larson, could n't see or didn't care who joined them and the wee hours of the night blurred by. Finally, Sunday morning dawned cold and chilly, and a bedraggled but happy Masabee Club headed for home. Terrific thanks to Ron Mack for the use of his cottage. Goodbye to Jerry

 the temple. The motion was adopted by a vote of
 12-4-2. Paul Chittenden then suggested that the fine be
 lowered to \$50. The motion was adopted by

 argued that instead of any form of religious
 service or prayer up to the individual, but that a
 motion be put forth stating that no member
 can be asked to attend any religious service
 and that the motion was passed unanimously.
 Paul Chittenden reported that a group had decided to
 please to use the Center Church. The motion was
 passed by the Club and a \$1 basket to be given to the
 motion was passed.

The supposed meeting was called to order sometime between 7 and 8 P.M. at the mansion called Von Weiner Castle. There was an enormous assemblage of 9 persons, including 3 officers, 3 of last year's seniors, Von Weiner himself, Marvin Silver, and Gary Brynes. As you can well imagine, a lot was accomplished.

OLD BUSINESS -

The second smoker will be held on Monday, August 26, at 1:00 P.M., at the President's house. It was decided that we would play football, provided we can scratch up two footballs. Mr. Silver (Marv) suggested we should set his car afire rather than borrow a grill. The department of Health agrees. Mike Matluck will take care of food.

Glenn Jacobson + Marvin Silver resigned as co-chairmen of the telephone committee. It was almost unanimously agreed that Paul Weiner shall take over, as he has a phone in his house for each

P2-82PI

members.

NEW BUSINESS-

A dance was proposed for September 14th, the date of Portland's defeat at the stadium. Richard Schilling & Gary Brynes will look into the renting of a jukebox, as we're too Marvin insisted that \$10 was too much to pay for the BEATLES.

It was suggested that meetings be held at the center by a member who wished to remain anonymous. He was immediately arrested as a VTG agent.

Glenn Jacobson was appointed to send a congratulatory note to the Hirsch's.

After two votes the meeting was adjourned, so we could play basketball before it was too dark.

The meeting was called to order at the home of Glenn Jacobson at 7:10 P.M. Secre Secretary's and Treasurer's reports were approved as read.

OLD BUSINESS. -

As the first order of business, Fang insisted we choose a flyer for our dance. This was a waste of 10 min. because they never were sent. I understand, however, that Fang writes a pretty mean postcard. Fang was also appointed to find chaperones. Rather than do this, however, Fang devised a plot which once again foiled the notorious VTs, by not finding chaperones until the VT himself threatened to close our dance and steal our profits - \$10 - \$25?

A motion was read and seconded to have meetings at Auschwitz Prison Camp (J. C. C). Motion was wisely voted down.

NEW BUSINESS

The following ~~busen~~ freshmen were sworn in: Bob Aranson, Richard Rosen, Bruce Brynes, John Chase, William

Russman, Jeffrey Finegold, David Cope,
and Kevin Gillis.

The new phone committee will consist
of Jeff Finegold - chairman, Bob Aranson,
Richard Rosen, and Bruce Brynes.

Congratulations, boys!

Kevin Gillis was appointed to look
into jackets - HM! I hope he doesn't
enjoy that sort of thing.

Banners were given out

It was pointed out that Harvey
Weinstein is in the market for an
acoustical guitar, and when he
finishes his shopping, will attend
The Kincley School, Kincley, Maine.
You may write to him, but don't
expect an answer.

Richard Schilling will try to reserve
places for the banquet and formal.

All members in attendance
favor a Macabre Football game.

Ken Krems brought up David
Aaron's name and debated with
himself for 15 min. Frank noted,
"He's as good as he is bad."

The purchase of tickets to a
Boston Patriot game will be taken
care of.

Sept 22, 1968

The three-ring circus was called to order by ring-master Mike Matluck at the home of David Cope at 11:00 A.M.

OLD BUSINESS:

The ~~sec~~ treasurer's report was approved as read, while the secretary's report was stumbled through, a tip of the hat to Ed Levine for his clear, concise, and informative notes. Money for the patriots game ^{Oct 13} was collected and a deadline set for Sept 29.

Cars being taken belong to the following: Schilling, Levine, Berenson, D. Hirschon, Diamond & Matluck. At the present time we are short one ticket. After a heated debate which made no sense, we agreed to give \$2.50 expenses to parents.

Mike Matluck volunteered to use his shoe phone to call Super Spy Cox to challenge his ~~boy~~ boys to a football game provided they're not out on maneuvers for the CIA or the JTG.

Steve "Fang" Hirschon moved that Rick Diamond tell about Linda Forsy. The last time Fang moved he brought down the house, not to mention the chair. The motion was passed in expectations of a hot story. It was a letdown & Fang was

threatened with a fine until we realized we shouldn't have expected much from Rick Deamon.

There will be an ALSAC drive on Oct. 6 with a \$1 fine for not attending. Marvin Silver will be heavily guarded.

Kevin Gillis reported on jackets and we now know less than before.

NEW BUSINESS:

Raffles were given out, but we've been having a hard time selling them because no one knows where the gift certificate is from.

Ken Krenus brought up David Aaron's name for membership successfully.

There will be a paper drive Nov. 3. Gary Berenson is chairman.
