FORUM-A
UNIVERSITY OF MAINE AT AUGUSTA

Augusta, Maine 04330

September 29, 1972

Dear Friend,

As you know, FORUM-A (Friends of Related Arts, University of Maine at Augusta) was formed for the purpose of bringing to the Augusta area a variety of cultural events through a joint effort by the University and the community. During the past two years concerts, lectures, films, exhibits and dance performances sponsored and supported by FORUM-A have enjoyed an ever increasing audience.

This year, FORUM-A will again present a program which will be exciting and enlightening. The Portland Symphony Orchestra series will include two orchestral concerts (the first concert to be conducted by Arthur Fiedler of the Boston Pops) and a dance concert by the Inner-City Dance Company of Los Angeles. An opera produced by Boris Goldovsky, a performance by THE PROPOSITION, an improvisational theater group, a series of lectures, films and exhibits will be spread throughout the year. The very popular "Pops Concert" will again be presented in the spring complete with the Portland Symphony Orchestra and prizes.

As a member of FORUM-A, you will receive a 20% discount off on any FORUM-A sponsored program. Individual memberships are \$5.00; sustaining memberships are \$10.00 and patron or corporate memberships are \$25.00 (a patron or corporate member will receive two sustaining membership cards). FORUM-A members will also be sent a calendar of UMA, FORUM-A and community events several times during the year.
