Miss Madeleine D. Giguere  
Department of Sociology  
Boston College  
Chestnut Hill, Massachusetts

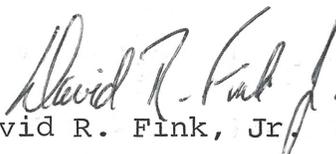

Dear Miss Giguere:

Your credentials arrived from Columbia and we have had the opportunity to consider your candidacy further. It is a pleasure for me to offer you the position as we described it when you were here, namely Assistant Professor of Sociology at a salary of \$9,000. As I tried to make it clear when you were here, we would be most interested that you completed the dissertation during the year.

If you would accept this offer in writing I will initiate the formal appointment procedure which will conclude with a letter to you from President Young.

I hope very much that you will join our Portland campus group next September. If there are any questions which remain please do not hesitate to call me collect to discuss them.

Sincerely,

  
David R. Fink, Jr.  
Dean
