This Book is brought to you for free and open access by the Student Newspapers at USM Digital Commons. It has been accepted for inclusion in Newsance, 1957-1958 by an authorized administrator of USM Digital Commons. For more information, please contact jessica.c.hovey@maine.edu.
Why can't we have football on this campus? This and other questions will be discussed by Mr. Ralph B. Ballou and several students over WGAN radio on a new series called "Meet the U.M.P." Mr. Ralph Ballou Jr., Director of Physical Education and Director of Athletics of the University of Maine in Portland will answer questions put to him by some of the members of the Radio & TV Club; Mr. Jagues is helping as he is the advisor of the club.

You are all asked to listen and have your friends listen to WGAN tonight at 8:45-9:00.

The other members of the panel are Richard Bogh, Ronald Caseldon, David Brigg, and Tom Vassar.

DOANNE PLAYS JAZZ

The Jazz Club will hold a dance in the U.M.P. Auditorium Friday, October 8.

A meeting was held last night at the college and a very good attendance was obtained. They listened to a concert by Mr. Guy and his Hi Fi records.

The dance committees and their chairmen were also announced. Advertising: Dick Turcotte, chairman, Russell Bowes, and Jim Hansen.

Tickets: Howard Passman, Richard Caseldon, Roland Desjardine and Paul Marquette.

Tickets for the dance can be obtained at any Club member.

All eligible students will cast their ballots for the men whom they feel will do the best job in the class offices. A list of eligible voters was drawn up yesterday by the Dean, which consists of all the students on the college roster that are designated as either freshmen or seniors. No special students will be allowed to vote.

A couple of faculty members will be assigned to taking care of the voting lists, and each time a student comes up to vote, he will be checked off as taking a ballot.

The constitution requires that a check list be kept all through the election of officers.

A majority of votes must be obtained by any candidate before he is finally elected to office.

A Student Assembly will be held in the auditorium and then all the students are asked to go to the designated voting places. For the freshmen this will be in the auditorium under the supervision of Mr. Jagues, E.B. Fred Clarke, and Mr. Ralph Ballou; the seniors will meet in North Hall (Room 302) with Alfred Clarke and Mr. Keenan.

A potent organization and power for good is the flourishing Campus Co-ops, which, under the leadership of Kit Saunders, UMP senior and full time Portland Evening Express reporter and columnist, has put meaning and purpose into its...
After looking around at the long lists of men running for one thing or another, I feel that the average student should be warned of some of the things that are going on. It is the opinion of this editor that some of the men seeking important jobs are only going for the prestige connected with the office.

Must remember the student council, which you are about to seat, will have a large sum of your moneys to spend. In years past we have experienced student council members the better coordination of the student that looked out for themselves and not for the betterment of the college in general. A couple of years ago, a sum nearly $50 was spent foolishly for a steak feed for the student council members.

Don't feel that it is hopeless as some of the men running look darn good and they will, if elected do a lot to improve this institution. The candidates, not elected to carry the ball by themselves. Last year, the class took a sleastalk from the candidate and elected him and then sat back and let him do nothing. It was not done, some of the students blamed the men in office, but they should look and see how much superintendent grade they get at there.

Each student has a responsibility to his school to go to the polls and vote for the good men. If they should fail and some of these so-called "glory hounds get into the job, you will not hear from them after the election is over. I am sure for the students to be given as much power as they are given here. If the student council decides something, the faculty will usually go along with the decision. Remember, get out and put the good men in office.

We are sorry that we are so communistic in the eyes of one of the candidates for not mentioning the fact the Mr. Cavallo is running for an office in the senior class. We find it hard to write a newspaper and remember every one's name in it. Therefore any student that pleads ignorant of any facts until he is left out I feel sorry for. Conrad Gervais

"THINK" By Harvey Jacobson

True, this year I do have a schedule of proposed plans that will be to the benefit of the school and the student body.

But, these plans are logical "short gain" pursuits, capable of being achieved without too much effort, but wide enough in scope to cover the entire student body and school year with much room for additions.

In my wise person who looks to the future with a definite goal instead of looking forward to aimless wandering.

Most of my goals are devoted to the spirit of the Student Council Constitution, "to supervise and coordinate relations between the students and administration of the University of Maine in Portland, to foster and direct student sentiments and activities in the spirit of general cooperation", that this can best be achieved by an increase in membership in the Student Council from 12 to 11 member from each functioning club on campus.

SECONDLY, That the activity fund given to the Rump Council to hold Mountain Day activities be raised from $100 to $200.

THIRDLY, There should be $100 appropriated to each class to start work with.

FOURTHLY, because of sale of Stag advertisements, I feel free to state to state as Stag business manager, that with the profits of one Setch Auction, we should be able to have enough money to have FRED Senior Class Yearbook Pictures.

FIFTHLY, to have a Constitution Committee to expedite all necessary changes required during the school year.

SEVENTHLY, the establishment of a dance committee.

For progress, I would like to suggest: A. A Senior Class Prom; B. A mid-semesters and/or Spring Formal at one of the local hotels C. Monthly, semi monthly, or weekly dances not to conflict with progress of other organizations. D. A Variety Show of the same caliber of last year.

Gentlemen, if I have been accused of thinking and planning ahead, I accept this accusation justly and willingly.

REASONABLE, Senior Presidential Candidate
