Radio Club •

Why can't we have football on this campus? This and other questions will be discussed by Mr. Ralph B. Ballo and several students over WGAN radio on a new series called "Meet the U.M.P." Mr. Ralph Ballo Jr., Director of Physical Education and Director of athletics of the University of Maine in Portland will answer questions put on by some of the members of the Radio & TV Club. Mr. Jaques is helping as he is the advisor of the club.

You are all asked to listen and have your friends listen to WGAN tonight at 8:45-9:00.

The other members of the panel are Richard Bogh, Ronald Caselden, David Bragg, and Tom Vassar.

All eligible students will cast their ballots for the men whom they feel will do the best job in the class offices. A list of eligible voters was drawn up yesterday by the Dean, which consists of all the students on the college roster that are designated as either freshmen or seniors. No special students will be allowed to vote.

A couple of faculty members will be assigned to taking care of the voting lists, and each time that a student comes up to vote, he will be checked off as taking a ballot. The constitution requires that a check list be kept all through the election of officers.

A majority of votes must be obtained by any candidate before he is finally elected to office. A Student Assembly will be held in the auditorium and then all the students are asked to go to the designated voting places. For the freshmen this will be in the auditorium under the supervision of Mr. Jaques, E.B. Fred Clarke, and Mr. Ralph Ballo; the seniors will meet in North Hall (Room 302) with Alfred Clarke and Mr. Keenan.

FROM THE DESK

"THINK" by Harvey Jacobson

True, this year I do have a schedule of proposed plans that will be to the benefit of the school and the student body.

But, these plans are logical "short gain" pursuits, capable of being achieved without too much effort, but wide enough in scope to cover the entire student body and school year with much room for additions.

It is the wise person who looks to the future with a definite goal instead of looking forward to aimlessly wandering.

Most of my goals are devoted to the true spirit of the Student Council Constitution, "to supervise and coordinate relations between the student and administration of the University of Maine in Portland, to foster and direct student sentiments and activities in the spirit of general cooperation", that this can best be achieved by an increase in membership in the Student Council from 12 to 1 member from each functioning club on campus.

SECONDLY, That the activity fund given to the Stag Council to hold Mountain Day activities be raised from $100 to $200.

THIRDLY, There should be $100 appropriated to each class to start work with.

FOURTHLY, because of sale of Stag advertisements, I feel free to state as Stag business manager, that with the profits of one Stag Auction, we should be able to have enough money to have FRED Senior Class Yearbook Pictures.

FIFTHLY, to have a Constitution Committee to expedite all necessary changes required during the school year.

SIXTHLY, the establishment of a dance committee.

For progress, I would like to suggest: A. A Senior Class Prom; B. A midsemester and/or Spring Formal at one of the local hotels.
C. Monthly, semi-monthly, or weekly dances not to conflict with progress of other organizations.
D. A variety Show of the same calibre of last year.

Gentlemen, if I have been accused of thinking and planning ahead, I accept this accusation justly and willingly.
