ANOTHER PROGRESS REPORT
FROM THE HOLE TO TIRE PLASTIC BAG

Work on the new building, enclosed in its polyethylene wrapper, is rolling right along. Mr. Whitmire, to meet with Mr. Heck to discuss the furnishing in the near future. We owe it all to the Portland Fire Dept. It seems that last Friday night, Feb. 6, a small blaze broke out in the trench that extends from the gym to the hole. A number of heaters were enclosed in the trench in order to thaw out the ground. Also stored nearby are propane tanks. When the heaters became ablaze, the building was threatened by the danger of the tanks exploding; however, quick thinking in the office prevented this disaster and the fire engines, sirens and all. As campus sage was heard to remark, "Too bad it wasn't the gym."

WINTER CARNIVAL SCHEDULE

The schedule for the annual Winter Carnival will be as follows:

WINTER CARNIVAL SCHEDULE

The Royal Lancers will provide the music. Candidates for Carnival Queen will be introduced to all present. Admission: $1.00 per couple, also per person.

Saturday, February 20- The 1965 Winter Carnival will end with the semi-formal dance which will be held in the King Junior High School Gymnasium. On Monday, February 15, at 2:00 p.m. in room 100 the members of the Chess Club will challenge any student or teacher to an individual game. If there is anyone who dares face the fearless four, make it a point to be there.

On Wednesday of the same week the club will hold a match with Deering High School. Anyone who shows superior talent by defeating one of the club members on Monday, will get a chance to play in this match. This match will start at 2:30 in room 100 of the Student Union.

HERE WE GO AGAIN

The freshman class is off again on another new project. Pres. Charles Cragin has announced that John Donovan, class vice-president, will head a committee for community service. The purpose of this committee is to motivate junior high students to think toward a college education. Pres. Cragin wants to reach students before they are in high school in order to enable them to plan their curriculum for college entrance. Plans are to talk to the students in local junior high schools to initiate the project. Any freshman interested in helping with this program is advised to see John Donovan or Charlie Cragin. Incidentally, Charlie's Folly or the Christmas Formal brought in $60 and a good time for those attending.

THURSDAY DISCUSSION

False alarm last week on the discussion. It seems Dr. McCann was having a baby (You know what I mean.) and can't make it until Mar. 9. Thursday Miss Emily Hatch from the Unmarried Parents Service and Adoption Agency will talk to us about Illegitimacy and Adoption. So haring any unforeseen "arrivals", we're all set for noon in the conference room of the cafeteria.
