### RUMP COUNCIL ENDORSES DANCE

A dance will be held here in the U.M.P. Auditorium friday night. The dance is called the Lamplighter. All proceeds from the dance will be turned over to the Rump Council to be used for the Mountain Day Dance and Outing to be held October 13 and 14.

About 180 tickets for both couples and stags have been spoken for according to Kilton Saunders. Also, about 75 to 80 have already been sold.

The dance which will feature Don Doane's orchestra, will be cabaret style with waiters, refreshments and lighting by lamplight.

The dance will be the first dance of the year and a large turnout is expected. According to Kilton Saunders, girls from all over have promised to come.

The dance is being sponsored by the Campus Co-ops, a political organization on our campus.

Doughty says, "Outing is a great success"

The third annual outing club cookout was a great success, according to Chub Doughty, Chairman of the affair.

Some forty students were at Little Sebago last night for the affair. There was plenty of food for everyone.

After the cookout, a short meeting was held with the advisor, Al Clarke getting the ideas of the Outing Club across to the new members.

The annual hunting trip this year may be held at an earlier date than last year and the possibility arose that this might be a camping trip instead of hiring cabins.

The first regular meeting of the Outing Club will be held today during the assembly period in room 205. All that were unable to be at the cookout and are interested in some facts pertaining to the different outings that will be held during the year, are invited to be at the meeting.

The ladies in the cafeteria are required to pick upwards of 400 cups per day. Why not cooperate and do your share and pick up one or two yourself? ? ? ? ?

The Rump Council met this morning, and discussed the Mountain Day Dance and Outing. It was proposed to go to Bradley State Park.

### SOCCKER TEAM IS FORMED

A tentative schedule of one scrimmage is planned for the soccer team with Gorham State either this week or next week.

Mr. Ballou announced that he has 11 men out for the team now. One of them has played soccer before and two others have seen a lot of the game.

One of the major drawbacks the teams faces is equipment and a place on which to play.

So far each of the players has had to get his own equipment. Some of them had some and some got it from friends that had some.

### Ralph Ballou Jr.

Mr. Ballou is a graduate of Springfield College where he received his B.S. and M.S. He is the director of physical education and athletics. This paper is published weekly at U.M.P. under the supervision of Mr. Jaques by: Louis Gervais, Joe Michaud, and Richard Webster. Kilton Saunders contributed.
