Dear Mr. Crosby:

Many thanks for taking your time to meet with Hal Bergeson and me on Wednesday. It was an educational experience for both of us.

I called your secretary and she informed me that next Thursday morning, December 9, at 10 a.m., would be an appropriate time for us to bring a couple of our students down to the station to pick up the equipment and pay you a brief visit. The boys are looking forward to meeting you, and, of course, they are extremely excited about the equipment. We really appreciate your interest in UMPG.

Best regards....

Sincerely,

M. E. Littlefield
