THE NEW YORK, NEW HAVEN AND HARTFORD RAILROAD COMPANY

OFFICE OF PRESIDENT

HOWARD S. PALMER

PRESIDENT

NEW HAVEN 6, CONN., February 12, 1948

Dear Mayor Gagne:

The Honorable Grover Whalen has informed me that you intend being in New York next week.

The New Haven Railroad is building a very unusual and outstanding exhibit on the east balcony of Grand Central Terminal. We are calling it "Main Street -- Southern New England" and featuring an early typical New England street with its church and shops. In addition the display will feature an ultra-modern show room in which will be displayed the products manufactured in this territory and an exhibit of machines performing actual manufacturing processes.

The display will be open on and after February 18th and if you and your party find it convenient to visit the exhibition, I believe you will find it very worthwhile. I would like to be on hand to greet you personally, but unfortunately I will be away. However, you will always find a New Haven representative on hand to greet you.

Very truly yours,

A handwritten signature in blue ink, appearing to read "H. S. Palmer", with a long horizontal flourish extending to the right.
