## THE PRESIDENT'S MESSAGE

Two years ago, the members of the Macabee Club decided to sponsor an annual spring semi-formal. We didn't know exactly what we wanted, but we knew precisely what we didn't want; that was, a run-of-the-mill dressup dance featuring the same style of music and mood of many other annual dances. We knew that excitement is directly proportional diversity and that interest and enjoyment are direct results of a moody and mellow atmosphere. Above all, we wanted a feeling of intimacy to prevail.

This then was our problem — how to inject intimacy into a semi-formal and how to make variety the key to an exciting atmosphere. When, during one of our meetings, the idea of "Basin Street" was suggested, we knew that we had the answer to our problem — God bless that member. "Basin Street" with connotations of blaring trombones, sultry saxophones, wine bottles, red vests, cloud producing smoke . . . Great!

Thus, as you can see now, three years later our conception of what we wanted for our annual semi-formal has not changed. We hired Don Doane to make the noise and Carolyn's to provide that so desired air of intimacy. The result? — our third annual semiformal, "Basin Street", a night on the town, a dance that you will never forget.

Have a wonderful time, all of you — we have done our best to give you the opportunity.

STAN SCLAR, President

At 9:35... P.M. .... SANDY..... and I  
arrived at Carolyn's for an evening of en-  
joyment.

As we made our grand entrance we could  
see that the dance would be ...FAB.....,  
and that Don Doane's band, dressed in  
...VESTS..... and ...DURBYS....., would be  
... GREAT... as usual.

The entertainment, which was ...TERRIFF...,  
added greatly to the atmosphere of the dance.  
But the climax of the dance was not reached  
until ...PAUL...LEWIS..... was announced  
as the President of the Macabee Club for the  
coming year.

After the last dance, .....  
we left the delightful surroundings of "Basin  
Street" for ...VALLEYS..... to round out a  
perfect evening.

At 12:45... A.M. I tiptoed through my front  
door.
