DIVISION OF HEALTH
Robert J. Wiseman, Jr., M. D.
HEALTH OFFICER

City of Lewiston, Maine

Health and Welfare Department

January 14, 1948

It is indeed a pleasure for me as Mayor of the City of Lewiston, to welcome you here today. We all know that Health and Sanitation go hand in hand. Sanitation of eating and drinking establishments is a necessity to a community.

I am proud of the interest Dr. Robert J. Wiseman Jr., our Health Officer and his personnel the Lewiston Health Department, have taken in cooperating with the State Bureau of Health in making this school a success.

I hope that you, as owners and employees of these establishments, will make the best of the education, knowledge and advice given you at these sessions.
