President's Message

Once again the youth of Southern Maine has been invited to attend The Macabee Club's spring formal, "Basin Street." The classic title remains the same; but, due to the never ending excitement created by this season of the year, the thrill of "Basin Street" is omnipresent.

Being a "Club" member, it is extremely difficult to put the significance of this affair into words. It is, above all, staged with the public in mind; nevertheless, to me, it has a special meaning. It is the grand finale of four years comradeship that is able to exist, through the high school years, in an organization such as this.

In closing, I wish to extend my sincere thanks to the many patrons of the Macabee Club who have, by attending this formal, made it the success that its name implies.

Kenneth Astor, President
