## PRESIDENT'S MESSAGE

As President of the Macabee Club it is my pleasure to welcome you to our 6th annual spring formal "Basin Street."

During the past four years, I have seen this dance grow. In an attempt to add to the temperament of our "Basin Street" theme, we have decided to make a good thing better by engaging the "blues" atmosphere of Westcustogo Inn.

It is evident that my Club Brothers have worked hard this year to give you every opportunity to enjoy yourselves on this occasion.

We all hope that you have had a wonderful time this weekend. May I wish you all a pleasant evening and thank my patrons for making my four years in the Macabee Club so rewarding.

## — THE MACABEE CLUB OBJECTIVES —

The Macabee Club bases its yearly program on a four point platform. Realizing that an organization must be well-rounded in its structure to be successful, we attempt to carry out each phase of this program with equal vigor. The four objectives are religious participation, social affairs, athletic activities, and community service.

The Club always encourages religious attendance. This attendance is not merely confined to Sabbath services but to programs of the Brotherhood and the U.S.Y. as well.

Our social functions are always highlights during the year in youth activities. We hold several dances each year culminating with our annual spring formal "Basin Street".

We participate in many athletic contests with other fraternities in the city. At all times sportsmanship and fine play are encouraged. These contests inspire much healthy spirit within the Club.

Community service is probably our most important objective. Besides contributing to various civic organizations, we select one particular group to which we direct most of our efforts. Among those we have contributed to as major projects have been the Pride Training School For Retarded Children, the Blind Classroom Building Fund, the Center Day Camp Athletic Fund and Greater Portland Mentally Retarded Children Fund, and Portland Child Guidance Clinic.

All endeavors of the Macabee Club are based on the principle of learning by doing through "brotherhood".
