Portland, Maine

Music by Merle Hallet

### PRESIDENT'S MESSAGE

I take much pleasure in welcoming you to the 10th Annual Macabee Club Formal. It is with pride that I look upon this event; for although of late the club has grown and many of its activities have been changed to adapt to this growth, the intimacy and uniqueness of this formal has been retained. Boone's boasts the wonderful atmosphere so necessary for this gala event.

In conclusion, I thank the most generous patrons who have made this formal possible.

Sincerely,

At ..... P.M. .... and I  
arrived at Boone's for an evening of enjoyment.

As we made our grand entrance we could see that  
the dance would be .....  
and that Merle Hallet's band, dressed in .....  
and ....., would be  
..... as usual.

The entertainment, which was .....  
added greatly to the atmosphere of the dance. But  
the climax of the dance was not reached until  
..... was announced  
as the President of the Macabee Club for the coming  
year.

After the last dance, .....  
we left the delightful surroundings of "Basin

perfect evening.

At ..... A.M. I tiptoed through my front door.

## THE MACABEE CLUB OBJECTIVES

The Macabee Club bases its yearly program on a four-point platform. Realizing that an organization must be well-rounded in its structure to be successful, we attempt to carry out each phase of this program with equal vigor. The four objectives are: religious participation, social affairs, athletic activities, and community service.

The Club always encourages religious attendance. This attendance is not merely confined to Sabbath services but to programs of the Brotherhood and the U.S.Y. as well.

Our social functions are always highlights during the year in youth activities. We hold several dances each year culminating with our annual spring formal "Basin Street".

We participate in many athletic contests with other fraternities in the city. At all times sportsmanship and fair play are encouraged. These contests inspire much healthy spirit within the Club.

Community service is probably our most important objective. Besides contributing to various civic organizations, we select one particular group to which we direct most of our efforts. Among those we have contributed to as major projects have been the Pride Training School for Retarded Children, the Blind Classroom Building Fund, the Center Day Camp Athletic Fund, Pine-land Hospital, and the Greater Portland Mentally Retarded Children Fund.

All endeavors of the Macabee Club are based on the principle of learning by doing through "brotherhood".
