The Rev. Antonin M. Plourde, O.P., who wrote the history of SS. Peter and Paul parish for the centennial being observed this week, will present an illustrated talk on this topic at 8 p.m. Tuesday, in the parish school, Bates St.

In his presentation, Father Plourde will show enlargements of old-time photographs connected with the life of the parish and city; also colored slides he took during local research for his history of the parish. The program occupies just one hour, he states, after which he will be available for questioning.

A small admission fee will be asked. The program is one of the parish centennial events to be held through this week.

For 11 years, Father Plourde was editor of "Le Rosaire", a monthly magazine published by the Dominicans since 1894. It ceased to publish last December, but in years past its circulation rose to 40,000. Financial support in recent years caused its end.

Father Plourde now directs the retreat center, St. Vincent Ferrier, conducted by the Dominicans at St. Hyacinthe, Que. The latter city is where the Dominicans first settled on this continent, back in 1873, and it is while researching for the observance of that centennial, two years from now, that Father Plourde obtained his facts for the history of the local parish.

Open house at the monastery will be from 3 to 5 p.m. Visitors are to enter through the main door leading to the rectory. Guides will be present to show the way to the common rooms used both by the father and the brothers of the religious order that has administered SS. Peter and Paul parish for the last 90 years. In the first years of the parish, secular priests served.

Visitors will be admitted to the first-floor chapel and the cloister or corridor from where the garden is visible. On the lower level, visitors will see the refectory and the renovated kitchen, leaving either through the driveway at right of the monastery or through the garden where many religious observances were held in years past.
