WINER CARNIVAL NEWS

The Oating Club will hold its Third Annual Winter Carnival shortly after the Second Semester sets under way. Make a date of the weekend of the Twenty-second of February. It will begin shortly after school is out on Friday afternoon. A dance to get acquainted will be the first thing on the docket. Other activities highlighting the program will be the judging of the snow sculpture providing Mother Nature will allow it, winter sports, a big semi-formal on Saturday night, which to prove interesting to all who are planning to attend the festivities.

We want to say that Bob North and Cliff Anderson co-chairman for the event have put much time into the planning and they hope the whole college will turn out and make this the biggest and best social event of the year.
