NEWSANCE

PRICE OF STAG REDUCED

The price of the Stag, the U.M.P. yearbook, has been changed from \$5.00 to \$4.00 according to Harvey Jacobson. There will also be a new method for buying the yearbook on an installment plan.

Shipping tags will be issued with designated punch places, these places will be punched on payment of the installments. A suplicate copy will be kept in a central office (location of which will be announced later). There will be four 1.00 installments.

The first punch will cost \$1.25, this will entitle the holder, with an escort, to attend a record hop called "The Turkey Trot" WHICH will be held Nov. 26, two days before Thanksgiving. Tickets will also be sold at \$.35 per person.

The "Trot" will be informal, with a local disc-jockey as M.C. Chinos and other informal dress are permitted.

A prize will be given at the dance. The winner will get his last three installments on the yearbook free of charge.

DO YOU HAVE AN APPETITE?

If you like to eat good food you'll not want to miss the Circle "K" Club's spaghetti supper with plenty of meatballs, and all the fixings that go with it. Supper will be served from 5:00 until 7:30.

In order to shake off all the excess weight you put on there'll be a dance following, beginning at 8:00.

Tickets for those who go to both supper and dance is just \$1.00. At this price you can't afford to miss it and it's for a good cause too. Proceeds will go to the Foreign Student Fund of the school. See you there on Nov. 23.

"EVENING IN JAZZ" *SUCCESS

The dance sponsored by the Jazz Club last Friday night was a tremendous success.

The highlights of the evening was a jam session by Don Doane and his boys.

An extra added attraction was Mr. Gay really stomping around the floor.

FLU VACCINE TODAY

The Asian Flu vaccine will be administered to those who have paid their \$3.00 to Bob Sweet this morning, between the hours of 9:00 and 10:30. The physician in charge of distribution is Dr. David Davidson.

You will get one half shot dose, then a booster shot 10 to 14 days later.

We have reliable information that these shots are 70% effective and the immunity comes into effect about 2 weeks after the second shot.

RADIO CLUB ACTIVITIES

Don Ferguson, jazz authority from So. Portland, was guest conversationalist of the Radio Club's first half hour discussion programme on WPOR.

On Sat. evening Nov. 9 between 8:05 and 8:30, Dick Turcotte and John Arsenault, freshman moderator interviewed Mr. Ferguson about the music of Count Basie and Gigi Gryce, two top jazz band leaders.

The programme will be on the air every Sat. night during the school season to discuss various subjects. Anyone interested contact either Jack Arsenault or Mr. Jaques, faculty advisor of the Radio Club.

WGAM is also sponsoring a radio programme produced by the Radio Club. This week Mr. Jaques, Bob Palmer, and Harvey Jacobson and Leo Gain will interview Mr. Gay on "Inflation".

Be sure to tune in to WGAM between 8:30 and 9:00 tonight to hear your classmates put Mr. Gay on the spot in relation to Inflation.

This newspaper is published weekly at the UNIVERSITY OF MAINE IN PORTLAND under the supervision of Mr. Jaques, faculty advisor.

SECOND TRY FOR MUTTNICK

The U.M.P.*WJC party last Wednesday night was a great success. It was the first big step toward social cooperation of the two colleges.

The party was held in the Alumni Lounge.

At first everybody was bashful but Mike Nicholas, who organized the "shindig" finally broke the ice and a good time was had by all. The affair also was a boost to the attendance of the Jazz Club Dance.

Entertainment was varied, Dick O'Donnell and an unknown lady from WJ6 played the piano. Tape recordings of popular songs were provided by Dana Dudley. Also a record player and records were provided by Lucy Nightingale of WJC.

Among those attending were; Jim Murray, Dick LeDuke, Lennie Allen, Don Maloney, Frank Nappi, Paul Marcotte, Pete Napolitano, Jim Ireland, Sonney DeJardin, Dick McDonough, Bruce Libby, Dick Gilman, Bob Abbot, Ed Wakely, Bill Crawford, and Jay Nutter.

Also Paul Winkler, John Whitman, Gene Brown, Don Marsden, Bob Eastman, Ralph Lymburner, Fritz Turner, Dick Turgeon, Jim Armstrong, Mo Stickney, and Ralph Smith were all seen having a ball.

THE LONG HAIR CLUB NEWS

Informal discussions on art, literature and music will highlight the meetings of the Longhair Club this year. However, as in the past, the Longhair Club will feature music ranging from Grand Opera to semi-classical and Broadway musicals. We have learned from Mr. Goff, the club advisor, that our charter does not limit us to music, therefore it is felt that it may be advantages to include discussions on art and literature at our club meetings.

There will be a business meeting at 10:00 AM. This is the first meeting of the Longhair Club this semester and it is desired that all members be present. We cordially welcome anyone who is interested in any of the above mentioned fields of art to join us. In the past the Longhair Club has been very active and at times the largest club on the campus. We hope to at least make it active this year.

FRED PESCE, amateur astronomer relates that his pictorial coverage of Russia's first satellite on Nov. 4 was prevented by poor weather conditions. His calculations were correct as to the time and place of Sputnik's passing however.

When asked about the latest, Muttick, Fred said that he had not yet finished calculating its course. He hopes that in the near future Muttick will be in line to have it's picture taken.

Fred will be using the same equipment for Muttick that he intended to use of Sputnik, namely a 20 power telescope, and an Argus 63 camera.

ASSEMBLY GOES TO THE DOGS

At the assembly last week, Mr. Gay and Don Ferguson were giving a short history of Jazz and while a selection was being played for illustration, an inpromptu accompaniment was accorded by one of the schools mascots, Butch, a boxer kept time to the music with well placed barks.

Dean Bonny was at first shocked but then began to laugh with everyone else. Don was stymied at the interruption but went on with the true spirit of a follower of Jazz. The dog made a timely exit when Chubb Doughty and Don Chenard lured him away with a piece of meat.
