

The following nine objectives were established. Though an attempt was made to place them in a chronological order of importance - the existing designation by no means absolute -

- ① Legislative Change: The eventual revision of all existing State law which restricts in any way the personal freedom of any individual because of his or her sexual preference.
- Inclusive
- (a) The right to private sexual acts between consenting adults.
 - (b) the right to acquire and maintain any employment position.
 - (c) the right of admittance to, and full service from, any public place or establishment.

② Legal Counsel and Incorporation.

- (a) To secure ~~for~~ committed legal counsel which will advise and/or assist in any legal matter ~~reg~~ regarding either the MQSAG or any individual within it.
- (b) To incorporate the MQSAG

③ Public Relations

- (a) To use all available media - Television, Newspaper, Radio, to expand, in a positive manner, public awareness of gay life and the gay "situation".
- (b) To establish and maintain communication with any organizations to whom ~~or from whom we might benefit~~ we might benefit - or from whom we might benefit.

(S.H. - The example raised was the A.A. - the thought being that many gays have "drinking" problems - by reaching say the ARC in some manner we might be of assistance and in turn gain support)

- ④ Gay Publication - To publish at regular intervals a magazine-newsletter containing announcements, articles, poetry, etc., of interest to the gay community.

- ⑤ The establishment of a medical, psychological and legal referral service -
