ELECTION RETURNS

One of the most colorful elections in the history of the school and the first of the U.M.P. was held last week. Many stunts were initiated by the various parties.

Tom Vassar was elected president of the Freshman Class and Chubb Doughty president of the Senior Class.

Tom who was elected president into office with a wide majority is one of the most popular men on the campus. Not only did Tom get in, but his whole slate made it also with the exception of one.

In order the senior class president may have some difficulty without the help of his slate, although he did get his secretarial candidate and a representative into office with him.

In order that the political factions of this school may work more competently they must have your help in cooperation with what they might plan in the ensuing year.

NOTICES

The library is still missing one of its most valuable books: the Encyclopaedia Americana, Volume 21. Mrs. Lighton would like it returned.

THE FRESHMAN VIEWS
by JOE MICHAUD

According to Coach Ballou, we should have a good basketball team this year. The coach started the ball rolling Monday with a meeting of the students interested in varsity ball-play. Some of those present were: Ron Caselden, Dave Briggs, Dave McCarthy Ray McIan, Bob Smith, and Johnny Bragdon.

At the meeting the coach discussed the school rules concerning the eligibility of students and also the conduct of the team on trips to other colleges.

Coach Ballou says, "Last year we had a hard time fielding a team, but this year we have as good a chance as any other school."

UNITED FUND STILL GOING STRONG

According to Ron Hanson the United Fund campaign is still going strong.

The success of the drive has largely been due to the persistence of Ron and his assistants, namely, Lionel Carrier, Paul Carrington, Dick Willoughby, and Tim Mynam.

Of the 220 students who attended the assembly $217 was pledged. $74 was in cash. The faculty alone has pledged $100. The drive is expected to reach a peak of $450.

Reaching the quota depends to a large extent on the students who have not yet pledged. If you haven't pledged yet, GIVE your pledge as good as your word.

This newspaper is published weekly at the UNIVERSITY OF MAINE IN PORTLAND by the students under the supervision of Mr. Jaques, faculty advisor.

SPORTS AT A GLANCE
by Dick O'donnell

We are sorry to report the lack of cooperation from our student body in response to forming an intra-mural football league at this late date.

It seems rather strange since 90% of those same students expressed desire for varsity football on our campus. Are we too good to play touch football or is it that we are not clever enough to play this quick thinking game?

I hope at this 11th hour that we have reached some true sports men and forceful organizers. Please contact Mr. Ballou if you wish to form this league before there is snow on the ground.

Remember the touch league stalwarts of "57" may well be the varsity performers of another year.

REMEMBER

Save your appetites for the Circle K Spaghetti Dinner on November 23rd. There will be plenty of meatballs for everyone.

Adance will follow the food.
