SOPHOMORE CRUISE
by Sonja

Remember when you sophomores paid those class dues? Did you ever wonder where the money went? Many classes save up their dues and present the school with a gift as they leave. Such altruism is admirable, but not in keeping with the spirit of this year's sophomore class. We, the class of '68, are spending our Sophomore dues for us, the Sophomores, now, in our Sophomore year!!

All Sophomores are cordially invited to attend a free cruise and picnic on Casco Bay, Saturday, May 14. The 'benaki will leave Custom House Wharf at 2 p.m. and cruise to Burke's Beach on Long Island, where there will be a free lobster or chicken supper. The Grand Prix will provide music for dancing, drowning, etc. The boat will return, hopefully as full as it started out at twelve midnight.

Sophomores can pick up tickets Thursday, Friday, Monday, and Tuesday in Mr. Van Amburg's office. There will be 100 extra tickets on sale for $2 a piece for non-Sophomores next Wednesday, Thursday and Friday in Mr. Van Amburg's office.

In the event of rain, the affair will be held next fall.

The Maine Spirit

All year long we've been harping about the dearth school spirit on campus and the general apathy of students. There have been moans and groans about no participation or interest in activities or support for teams.

The Maine spirit is not a banner waving and cheering and stomping-rah, rah for my school thing. It's an inner feeling, a sense of pride in knowing that you're part of a university.

Anyone who attended Maine Day '66 can testify to the fact that the Maine spirit is not dead. The turnout for the track meet and the noon activities well exemplifies the spirit on campus.

When over 60 freshman apply for Owls and Eagle's and over 200 students show up to hear the announcements for Senate president and the new Owls and Eagles, then surely some sort of spirit is haunting the campus.

UMP, being a commuter college, is at a disadvantage in bringing students together, and whipping up enthusiasm.

UMP does not have a screaming, yelling, enthusiasm but there is spirit. Sometimes it takes something like Maine Day to bring it out.

LIBRARY RECEIVES DONATION
by John Flunkett

President Young has announced that a gift of $1000 has been presented to the UMP library by Mrs. Donald M. Payson of Portland. The donation was made without any restrictions, and permits the whole sum to be used to best advantage by the librarian, Miss Marjorie A. Duval.

Ms. Duval said she was very much pleased with the gift and noted that more contributions are necessary if the library is to grow. She explained that the gifts would be used to supplement the money already received in order to acquire much-needed books and periodicals with only $25,000 books now in the library at an average of $7 a piece and with a minimal goal of 100,000 volumes, one can easily understand how much the library is in need of donations.

EDUCATION--May 9, 10, LBH, Room 235
LIFE SCIENCES AND AGRICULTURE * Same BUSINESS ADMINISTRATION -- May 9, 10, 21st. BSN & 1060--to be determined.
The track team opened with a fifth place showing out of 10 teams in the Brandais Invitational. The top scorers were True, Burns, Thayer, Arnold, Capozza, and Drown. In order to provide a reference point, Coach Martin said that Gorham State finished seventh.

The UMP Viking baseball team has fallen off to a slow start. The team lost to Thomas College 3-0 and to Husson College 12-3, the latter due to a ridiculous total of 8 errors. Weatherbie lost the Thomas game due to wildness, and Lapp lost the Husson game, of course on errors.

Coach Sturgeon says that he is going to experiment in the next few games but don't expect many changes in Thursday's home opener with Thomas College. The hitting and defense has not materialized as expected, and there will be changes in the outfield to correct the former. Look for Prescott to start Thursday. Weatherbie to start Saturday. Thursday is a crucial game. If the Vikings lose, a winning season is doubtful. Who knows? The UMP Mets may live again!

Well, that "sport" called boxing has again graced our campus. I, personally, can see no sense to the "sport", but the contestants tell me "sometimes a person needs to be physically abused." They think that it's wonderful, and they're the ones getting knocked around. Why not spend the time reading Capote's new book or the works of Hemingway or Faulkner, anything half way enjoyable, rather than try to knock the other persons brains out? I agree that I, along with you other sadistic spectators, can not judge because I have not tried the sport - at least not since junior high school. I do wonder though when people on the boxing card come to me the day before the match and ask "Walt, will you teach me how to box?"

VARSITY CLUB TO MEET

The Varsity Club will meet Thursday, May 12 at 6:15 p.m. in room 207, Payson Smith Hall.

ATTENTION: FRESHMEN

All male freshmen must take the Physical Education Examinations beginning next Monday, May 9. Any person, regardless of varsity Sports participation, who doesn't take the test will have to repeat phys. ed. next year.

UNIVERSITY SINGERS AT UMP

The University Singers from Orono will appear in concert next Tuesday night, May 9, at 8:15 p.m. in the UMP Gym. The Singers are a special choral group of about fifty members, carefully auditioned at Orono. They are under the direction of Dr. Harold Headley.

Last year the Singers sang at the New York World's Fair and held concerts in five states. Before their tour they appeared here at Portland and gave a very enjoyable concert.

The selections this year include "The Prayer of Manasseh", Jean Berger an American composer, "Cantata No. 4, Christ lag in Todesbanden", J.S. Bach, "Motet: Exultate Deo" Francis Poulenc, and three English folk songs.

ATTENTION ALL STUDENTS:
