Dear Professor Giguere:

I would like to take this belated opportunity to thank you for your active participation in the activities of Dr. Graham Leonard, Visiting Professor at Peking Normal University. Your willingness to utilize him as a resource contributed greatly to the success of the program. To say the least, the range of topics Dr. Leonard addressed while here was broad and varied. In light of this, I hope that the information he presented was of interest and value to you and/or your audience.

To assist us in determining the value of having lecturers such as Dr. Leonard visit USM, I would ask that you complete the attached evaluation form, or provide a general written assessment of his contribution here. Please respond as candidly as possible and feel free to make additional comments about your experiences with and perceptions of Dr. Leonard.

Thank you again for your help.

Sincerely,

Susan Silvernail
