SATURDAY, January 14
8:00 P.M. UMP vs. Bryant College at home

MONDAY, January 30
7:00 P.M. Circle K, Union
BASKETBALL
by Bob Lapp

"It was one of those games where we did nothing right and everything wrong. It was the worst game any team I have coached at UMP has had." These were the opinions of Coach Sturgeon after the defeat of our Vikings vs. Bentley College by a score of 102-71 on Dec. 17. The Vikings once trailed by a score of 45-10 and was behind at halftime 55-28. The final score was a big surprise, considering that the two teams essentially had the same men back from last year. Last year the teams split in their two games, each winning at home.

Bentley has a strong team, and is ranked No. 8 among the small colleges in New England. Both coaches thought the final score would be much closer. High scorer for the Vikings was Freshman Pete Hoover with 14 points. Only other Viking in double figures was Capt. Bob Francouer with 11, as Coach Sturgeon substituted freely to try and find a working combination.

The Vikings travel to Farmington tonight (Jan. 15) to play a good Farmington State Teachers College team. Coach Sturgeon promises "a shake-up in the starting unit" in an attempt to salvage a winning season.

Hal Houlton is currently nursing a heel injury which he suffered in the St. Francis game. He was unable to play against Bentley, and Coach Sturgeon hopes he will be ready for tonight's game. The Vikings return home next Tuesday vs. Bryant College. Bryant defeated the Vikings once this season, and is highly ranked along with Bentley. Try to attend this game. Admission is free.

JOKE OF THE WEEK:

By accident two male companions got into a wrong sleeping compartment on a train. The right occupant, an actress from Hollywood, entered the compartment and seeing the two men lounging in her room replied firmly, "I'm sorry, one of you will have to leave; I don't want a scandal!"

NOTICE TO ALL STUDENTS INVOLVED IN TEACHER EDUCATION CONCERNING THE EXPLANATORY FIELD EXPERIENCE (E.F.E. PROGRAM)

In accordance with a University-wide policy, all University of Maine students who plan to teach in public schools will be required to participate in an Explanatory Field Experience (called the E.F.E. program). This will be effective with the class of 1969 and applies to all colleges of the University. It will be one of the firm requirements of the new and strengthened Teacher Program and it will be a specific prerequisite for student teaching. Because of the many other requirements for participation in the Teacher Education Program, it is advisable that the E.F.E. requirement be met during the sophomore year.

Explanatory material concerning the E.F.E. Program is available at the Education Department Office (Room 204-Payne Smith Hall).

STUDENT UNION NEWS

The Winner of the Student Union Pool Tournament was David Smith. There were two people tied for second place: Bob Jerry and Frederick Brown. The tournament was well attended with much enthusiasm. Another tournament will be held after finals for all those who feel that they "just had a "bad day".

STREET SIGNS FOR UPM IN PORTLAND

Thanks to the Department of Public Works, visitors to the greater Portland area will now find the Portland campus of the University of Maine the easy way. These signs reading "U. of M. in Portland" and measuring 30" by 24" are being erected to guide incoming traffic from the four major gateways of the city to the University's Falmouth Street location.

One series of signs will begin at Exit 8 of the Maine Turnpike and continue down Brighton Avenue to UMP. Visitors coming from Gray and Lewiston will find the first of another group placed at Woodfords Corner.

A third series of signs begins at the Loring Memorial Bridge to help guide travellers from Falmouth and Brunswick, and another will begin at the end of the Veteran's Memorial Bridge to show the way to visitors driving up from the south.

PRESIDENT YOUNG TO SPEAK TO ALUMNI ASSN.

Dr. Edwin Young, president of the University of Maine, will be the principal speaker at the annual mid-winter gathering of the University of Maine's Cumberland County Alumni Association. The meeting will be held in the University of Maine in Portland's Bonney Hall Auditorium at 7:30 Tuesday, January 10.

Dessert and coffee will be served to Maine Alumni and Alumnae and their guests. Following Dr. Young's speech, the alumni association will hold a business meeting
