Honorable Louis P. Gagne
Mayor,
Lewiston, Maine.

Dear Mayor Gagne:-

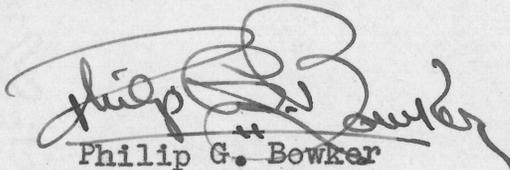

My factory office informs me that you may be interested in learning more about our product.

A year ago I attended the meeting of the Maine Municipal Association at Augusta and demonstrated one of our voting machines. Much favorable comment was received. I do not know whether you saw the machine at that time but if you have not I will be pleased to see what can be arranged to exhibit one to you.

At present we have equipped Pittsfield, Brookline, Waltham and Everett in Massachusetts. They are satisfied users of our equipment. The attached folder lists municipalities that we equip.

If you are desirous of getting first hand facts I will be pleased to come to Lewiston and go into details with you.

Sincerely,

Philip G. Bowker
