

Westington, Maine. Blue. Alton & back.

POSTCARD

My dear Marion—

We arrived back here safely & are all quite well. It is quite warm here today.

I must thank you for the very cordial welcome you gave us, we had a very pleasant visit.

I see a change in my Sister of some 10 yrs. makes a big change, do not think we can make another trip up again this year. Next stop west I may go back with my son the last of this month. Love etc. Aunt Nettie.
