SPORTING NEWS by Fred:
The track team has kept itself busy and in good shape during finals and semester break. In three A.A.U. events held in conjunction with the high school meets in the Expo, the Vikings picked off two gold medals, two silver, and two bronze. On Jan. 21, Bruce Burns won a gold medal in the 40-yard dash, while teammate Tom Wakefield was missed by some judge as he unquestionably had second place. An hour later, Al McCann won a silver medal for his second place, while Dick Bonaventura won a bronze medal for his third place finish in a mile run.

On Jan. 28, the Vikings made a clean sweep of the medals in the 1000-yard run. Al McCann lead teammates Dick Bonaventura and Jim Sproul to the finish line to pick up his gold medal. Dick and Jim received silver and bronze medals respectively. McCann's time was under the school record in the 1000.

This Saturday, four members of the team are going to the M.I.T. Relays. We have a fine mile relay team which is capable of gaining a good place.

The sports staff of the UMPus wishes to extend a welcome home to our Athletic Director, Mr. Sullivan, after a semester of studying.

JOKE OF THE WEEK:
At a Key West hotel, specializing in service with that extra touch, guests who asked to be called in the morning were awakened not by a strident bell but by a sweet-voiced girl with a breakfast tray. Everything was fine until the morning phone rang just when a girl and tray arrived with the guest's wife in Albany.

"See who it is, " the guest commanded. "He's still in bed. I'll call him," the girl told the caller — who happened to be the guest's wife in Albany.

STUDENT SENATE SCENE by Sue Scanlan:
President Mark Eastman called a special meeting of the student senate at 5:30 P.M. on Jan. 31. The primary purpose of the meeting was to set up a schedule for the senate meetings during the spring semester. A tentative time was set up for 5:30 P.M. every Tuesday afternoon.

Sophomore class president Gary Libby reported on some of the most recent developments of the Intercollegiate Council of Maine situation. The UMP student senate has thus far refused to ratify the I.C.N. constitution because, even though UMP backers of the Council and sponsored Glenn Yarbrough Concert are expected to contribute an amount of $122 and a per game average of $12.2. Every member of the student senate is to contribute an amount of $25 to the student senate.

A letter will also be sent to the faculty requesting that each faculty member post final grades using the student's number rather than name.

Bob Small and his transportation committee are handling the "bouncing in the parking lot" situation that prevails due to the hills and valleys at the entrance to the upper parking lot.

EDITORIAL

The rat-race has started again for us. The Fall Semester, final exams, and semester break -- they are all history now. Speaking of history, a few of us know about one rather interesting, if not angering, event that took place a couple of weeks ago. Those who are taking, or have taken, European History, from Dr. Cole, know about that famous journal, note book, or whatever you want to call it, that usually cause severe cases of writer's cramps, after the night before the last history class each semester. After reading, grading, and writing a few comments, Dr. Cole, during finals left the journals in a box outside his office door 50¢ for a one inch ad. So if you want to sell your books; put an ad in the UMPus. Sue Compston if interested.

are now working on an arrangement of proportional representative on the council of University of Maine. Tom Hardy mentioned that there are six known candidates for the winter carnival (Feb. 10 - 12) Queen, only two petitions have been submitted to Mr. Van Amburg's office. Deadline is Monday Feb. 6.

Bob Norris, junior senator, received a letter from Harold Westerman, U M football coach, concerning the proposed varsity football team on this campus. Mr. Westerman raised these questions:

(1) Would there be enough enthusiasm on a commuter campus for such a team?

(2) Would there be a large enough number of qualified players on the U M campus?

(3) Can the University of Maine reasonably afford to finance two teams?

Mr. Westerman's proposed expense total of $5000 for the U M team was nearly three times that computed by Bob and his committee. Since the scope of this team would be more on a par with a large high school team, Bob will compare his financial estimate with the cost of the South Portland High School team to see what the actual cost will be.

John Andrews, junior class president, asked that the Senate do something about the problem of a day student trying to get into a C E D class. He discovered that when he dropped a day course for which he had preregistered he was expected to pay 20 dollars per semester hour for a C E D class.
