SPORTS NEWS by Dave Morrill

Coach Sturgeon's overtired, undernourished five face a tough ball game Wednesday, February 12, against a balanced Colby yearling squad. Last year the Vikings traveled all the way to Waterville to come home with a defeat. This year's tussle will be at Lincoln Junior which should be an aid to the Vikings.

Last week the Vikings were out-hustled to succumb to Bridgton Academy 83-77. The Bridgtonites rolled up an early lead that the Vikings cut down, to go ahead at half time 47-46. In the second half the again slow starting Vikings were outscored and this time couldn't recover.

Intramural basketball starts February 21. Rules of entry and play are posted. All those interested should contact Coach Sullivan with the names of their teams and players.

STUDENT COUNCIL MINUTES

February 5, 1964

After the minutes of the last meeting and the treasurer's report were read and approved, a motion was made to re-open for discussion the decision to reimburse the Ski Club for money lost in having to pay for police protection at their last dance. The motion carried, and Mr. Van Amburg read the Council the regulation concerning the policing of dances. The Student Activities Committee had declared that when other schools are in attendance at a UMP function, two male faculty members and their wives or a policeman are necessary as chaperones before the function can be held. Following Mr. Van Amburg's address, the Council voted not to reimburse the Ski Club for its expenses incurred regarding this matter.

Don Hoffman led the discussion of program reports from the various committees working on the Winter Carnival. The Council voted not to have a policeman at the Saturday night semi-formal Winter Carnival dance. Dave Steele will take the decision to the Student Activity Committee for their consideration.

Dick Allen read Judy DeRocher's report concerning the paintings for the cafeteria. A group of art students, under the direction of Mrs. Barney, is ready to begin the pictures upon receipt of necessary supplies. In reply to Judy's request that the Council allow her to open a charge account in our name at a Portland art supply company to facilitate the purchase of necessary equipment by Mrs. Barney, the Council so moved.

A new meeting time was discussed, and it was decided that a copy of each Council member's schedule card and work schedule be given to Dave Steele so he can determine a meeting time convenient to everyone. As it stands now, the next meeting of the Council will be Wednesday, November 12, at 4:00 P.M.
