Dear Miss Giguere:

Your contribution to the program at
C.M.V.T.I. on "Health Information for the
Franco-Americans" was greatly appreciated.

According to the evaluations we re-
ceived, many would have been interested in
hearing more on your topic regarding "The
Franco-American Family and Its Values".

It may interest you to know that a
meeting of all coordinators will be held
in April to discuss possible solutions
addressed during the various workshops.

Thank you for assisting us in a program
that surely will have positive effects in
meeting some needs of the French speaking
client.

Cordially,

Eleanor T. Blais, R.N., M.S.
Director
Department of Education
