Dear Miss Minahed,

We are now preparing MAINE POEMS for publication, and would certainly like to have you grace the pages with some of your work. It would seem most unfortunate if you did not join the company of such distinguished poets as are to appear in this volume.

Won't you reconsider, now that we are so close to actual printing of the anthology, and send us 10 of your best poems? It is exciting to see the tenth copy of the book!

We hope you will consent and send the poems and your check or money order as soon as possible, so that the book will not be delayed any longer.

Gildingly,
HENRY HARRISON, Publisher

Gordi

P.S. We are holding your book, "Moonstone", until we hear from you, which we hope will be favorably.
