MAINE TEACHERS' ASSOCIATION

AUGUSTA, MAINE

November 18, 1947

Mayor Louis P. Gagne
Lewiston
Maine

Dear Mayor Gagne:

The Executive Committee of the Maine Teachers' Association has directed me to express to you, and through you to the citizens of Lewiston, their appreciation for the generous hospitality that has been accorded to us in our recent convention. In spite of the fact that it was a postponed convention, our attendance was among the largest, and for you to take care of housing so many so well seems to me a noteworthy achievement even for Maine hospitality. I know that a great many Lewiston people worked many hours in providing food and entertainment for our teachers. While it seems like an inadequate return merely to say "Thank you", I can assure you that it is a very sincere expression on our part, and we look forward to coming to Lewiston again for a great convention.

I hope you will feel that in making possible these annual meetings you are doing something, not only for the teachers, but, through increased morale and new ideas for the teachers, that your service extends to all the children of Maine. Perhaps the consciousness of the magnitude of your service will be a reward in itself.

Sincerely,

Clyde Russell
