My dear Miss Michaud:-

It was very thoughtful of you to send me the write-up concerning the Trumble players. I showed it to some of our people and feel sure that was the deciding factor in their trip to hear the players last Monday night. I sent the clipping along to my daughter in Vermont because I knew it would be of much interest to her.

The weather is so damp and sticky that even the type-writer sticks as the arm tries to move back and forth, and the ink seems to spill itself all over the page.

Thanks again for your kindness in remembering me with the clipping which was so well written and was most interesting.

Cordially yours

Edith W. Chester
