Engaged Fellows/Departments Program

Participant List

Fellows

Name: Benedict, Lucille

Department: Chemistry

Email: Lucille.benedict@maine.edu

Project: Working to formalize participation of USM students with high school projects in CHY 233 through presenting in the high schools, creating materials for the project website or school visits, or coaching small groups of high school students during the visits.

Name: Ebben, Maureen

Kivatistky, Russell

Department: Communication and Media Studies

Email: Maureen.ebben@maine.edu, russellk@maine.edu

Project: Creating a new upper division "Seminar in Professional Development" course that contains four modules – civic engagement and service learning, internships, K-12 student career awareness workshops, and contribution to an on-going careers data bank.

Name: Killmeier, Matthew

Department: Communication and Media Studies

Email: mkillmeier@usm.maine.edu

Project: Creating a new course that addresses identity issues of race/ethnicity, class, gender, and media, based around civic engagement and service learning in order to facilitate understanding and appreciation of diversity.

Name: Lapidus, Alexander

Department: Teaching and Learning

Email: alapidus@usm.maine.edu

Project: Modifying EDU 557 Teaching Writing to Multilingual Learners to make service learning with community partners mandatory and to incorporate this service learning into the final assignment.

Name: Most, Ivan

Department: Engineering

Email: ivan.most@maine.edu

Project: Modifying EGN 304 Engineering Economics to a blended course that includes a campus-based service learning component that allows students to develop professional knowledge.

Name: Tracy Michaud Stutzman

Department: Tourism and Hospitality

Email: tracy.stutzman@maine.edu

Project: Including a community partner with a professional kitchen in ANT/TAH 233 Food and Culture course to work with students to cook and share ethnic recipes at Husky Harvest festival.

Name: Bruce Thompson

Department: Psychology

Email: bthompso@usm.maine.edu

Project: Convert literature review course to include student proposals for service learning projects. Projects will be reviewed and students will have the option of implementing their proposals.

Name: John Voyer

Department: School of Business

Email: voyer@maine.edu

Project: Develop BUS 383 Social Entrepreneurship to teach the theory and practice of social entrepreneurship and increase the quality and impact of Enactus projects.
