A NOTE TO THE JUDGES FROM CIRCLE K

A great Winter Carnival Queen should have intelligence, beauty, poise, personality, and most of all be socially active. The Circle K Club is sponsoring Mary Donahue. What more can I say?

Where was UMP?

The Circle K Club tries to coordinate student activities with dances, service projects, etc. But how can a club create activity when the student body won't attend?

Recently Circle K brought to the Interclub Council the idea that instead of just Circle K going to Pineland Hospital to help in any way they can just as Colby, Bates, and W.J.C. do, that the Interclub Council coordinate the whole project. The idea was great! Meanwhile some club members thought the it wasn't a good idea because the project would bog down and nothing would ever happen. Well, we took the project to the Interclub Council and nothing has happened yet. They voted on the idea, everyone was interested, and I guess they forgot about it when they left the meeting room.

I propose a change; with Winter Carnival this weekend which sounds like an exciting one, the students of UMP should attend and start the ball rolling. "It's a wonderful thing when a student activity has a large turnout. This weekend could be something to remember for a long time. It will be if we want it to be."

Come to Winter Carnival and see what can happen when students all plan to be together with the music of the Knightmen, the swingingest band in New England. By the way, the Circle K Club is having its annual Beaver Ball on March 14 which also features the Knightmen. I'll see you this weekend and March 14.

A student who's still trying,

HASKELL TO VISIT UMP THURS. AND FRI.

The MIAA Publicity Director, Stuart Haskell, Jr., from Orono, will be here Thursday and Friday to gather information for a special article on UMP for the Alumni magazine. Mr. Haskell is planning to attend the Thursday noon seminar, to visit the Student Union, the Student Publications office, the Gym, the Library, and to chat with representative students as they work on snow sculptures and prepare for Winter Carnival activities.

Be ready to give Mr. Haskell a warm welcome and help him to get a picture of the varied activities at our UMP campus.
