STUDENT CALENDAR

Thursday, March 2

All Day
French Club Food Sale in Payson Smith, Caf.
12:00 noon
Business Club in Student Union, rm. 1
12:00 noon
Outing Club Meeting in North Hall.
3:00 p.m.
Oaks & Eagles Meeting in Student Union, rm. 1

Friday, March 3

10:00 a.m.
Spanish Club Meeting in Luther Bonney, rm. 203.
4:00 p.m.
Classical Film "Open City" in Luther Bonney Aud.
7:30 p.m.
Classical Film "Open City"

Saturday, March 4

8:00 p.m.
Boxing Club Dance Featuring the Spellbounds in the gym.

Monday, March 6

All Day
I.D. pictures in Payson Smith, rm. 101.
7:00 p.m.
Circle "W" Lighting in the Student Union, rm. 1.
7:30 p.m.
Lecture demonstration for Portland Rossine Club in Luther Bonney rm. 524.

Tuesday, March 7

All Day
I.D. pictures in Payson Smith rm. 101.
8:15 p.m.
Events of the Arts Miguel Rubio Classical Guitarist in Luther Bonney Aud.

Wednesday, March 8

All Day
Placement Interviews in Payson Smith, rm. 101.
12:00 noon
Inter-varsity Meeting in Student Union, rm. 1.
12:00 noon
French Club in North Hall.

Thursday, March 9

All Day
12:00 noon
Lecture to teachers on Indian Reservation in Luther Bonney Aud.
12:00 noon
Business Club Meeting in Student Union, rm. 1.
12:00 noon
Outing Club Meeting in North Hall.
5:00 p.m.
Student Senate Meeting North Hall.

CLASSICAL GUITARIST MIGUEL RUBIO TO GIVE PERFORMANCE

On Tuesday, March 7 at 8:15 p.m., the renowned classical guitarist Miguel Rubio will give a performance in Luther Bonney Auditorium.

Mr. Rubio, born in Madrid, occupies the chair of professor of guitar at the Conservatories of Bern, Bienna, and Lesamme in Switzerland. A graduate of the Royal Conservatory of Music of Madrid, he has studied with D. Portes, R. Sains de la Mesa, and, for final polishing, with the master, Andres Segovia. Young as he is, Miguel Rubio has achieved great success and widespread recognition throughout Europe and the United States.

UMP TO GET $330,000 TOWARD NEW GYM

The University of Maine in Portland will receive a grant of $330,000 toward construction of a physical education building from the U. S. Office of Education, Washington, D.C. The entire cost of the plan is $1,430,000, and construction is scheduled to begin in May. Completion date is July, 1968.

The three-story steel frame structure will be built at Falmouth and Durham Streets, facing the campus. The bottom section of the split lower level will provide storage space, two handball courts, a women's physical education area, and space for mechanical equipment. About half of this section will be reserved for future use.

The upper section will contain two physical education activity rooms, locker and dressing rooms, and showers. The next level will house the 15,400 square foot gymnasium-auditorium. Roll-out bleachers will provide 3,000 seats for athletic events, assemblies, concerts, lectures, and dramas.

Future plans call for development of the building's flat roof, measuring 150 by 132 feet, as an outdoor recreation area with three tennis courts and a running track.

A bond issue approved in 1965 will provide $1.1 million of the total cost.

Friday, March 10

All Day

Track News

Last Wednesday the track team went to Colby to compete in a "practice meet" with the Colby and Boston State freshmen. A ruling from Mecca prevents us from running Colby in an actual scoring affair and therefore our Vikings were not allowed to hold places. Had it been a real meet, UMP would have won.

Two existing school records were broken and one was tied by two Vikings. Al McGann broke his own existing record in the 1000 with a time of 2:31.8. Lee Arnold's record in the low hurdles with a time of 5.5 seconds. Hutchins and Ken Martin tied the high jump record at 5 feet 6 inches.

Coach Martin took five members of the team down to Auburn to compete in Saturday's Auburn relays. The Vikings competed in two relay events and did, "quite well," to quote the coach. In a 1400 yard relay our team finished 7th out of 9 with a respectable time of 2:14.6. In a sprint medley relay the team came in 8th out of 12 in 3:45.9.

Joke of the Week

A customer told a hardware-store clerk that she wanted a three-quarter-inch pipe plug. The man asked, "Do you want a male plug or a female plug?"

"I just want to stop a leak," the woman replied. "I don't plan to raise them.

To the Editor:

Weight seems to be on the uprise among UMP students. Perhaps one reason is because of lack of exercise. Have you ever noticed how many plump people crowd into the elevator with you? The members of the staff, however, are maintaining their waistlines. Because they have no desire to crowd themselves into the elevator with a mob of students, they climb. Actually, the elevator isn't even the most effective means of transportation. Usually it's when you're almost late for class on the fifth floor that it chooses to be obstinate. It might go as high as the fourth floor and then head down. Naturally it will stop at every floor without anyone even pushing the button. This monster can easily be avoided by simply taking advantage of the major part of UMP's physical education program - that of climbing stairs! And the more stairs you climb, the more energy you'll use, and the less weight you'll gain!

The Anonymous Reformer

Dean's List Announced

Five of the 162 current Dean's List students at UMP earned all "A" averages for the fall semester, Dean Fink announced today.

Leonard Chabot of Dexter, John Bassett of Farmersville, and Charles Caswell and John Donovan of Portland, tied for highest standing with 114-102 victory over New England College at Henniker, N.H. The Vikings boosted their record to 10-8. A 68-30 rebounding edge helped the Vikings to their victory which saw three UMP basketball records broken. The total of 114 points broke the team record of most points scored in a single game. Bob Francoeur set a school individual scoring mark for one game by scoring 37 points. Rollie Cagne, with his 28 point effort, boosted his season's point total to 301 points to set another Viking record. Congratulations to these players and the team. The Vikings had their "shooting eyes" Saturday hitting on 16 of 96 attempts from the floor. The Vikings were threatened only once when N.C.C. came to within 1 point of them halfway through the first half. High scorer for the game was Bob Francoeur with his recording breaking 37 points, followed by Rollie Cagne with 28, Rick Bosle with 14, and Keith "Catfish" Weatherbee with 13 points. Last year the Vikings record was 11-5. Next year their record will be ??? See list of team statistics for the 1966-67 season on page 7.

Baseball

Coach Sturgeon would like all candidates for baseball to sign up in the Athletic Office before March 8th. Pitchers and catchers will start work-outs in the gym the week of March 13. Last Thursday's push-button, computerized world was reminded that it is still subject to the whims of mother nature. Portland received 12 inches of the white stuff during the gay, mad affair - the skiers were pretty mad. Despite the frustration and confusion the storm also had its light side. It isn't every night that you can park your car for three hours in the middle of Forest Avenue and not be accused of obstructing the flow of traffic. While similarly marooned on St. John Street, a student was greeted by such plesantries as "Happy New Year!", "Where's the nearest bar?", and "Let's be friends, we're going to be here a while."

Friday morning there was an unprecedented event at the University; the parking lot attendants did not look for windshield stickers-they were too busy looking for cars.

According to a local television station, a young capitalist was seen ringing doorbells - not because he was interested in shoveling off walks, but because he was selling flower seeds.

To victims of snowstorm nostalgia: no longer is it "back in 1952," it's "back in 1967." It is all over, but the memories and the make-ups.

Notice to Freshmen: Owls and Eagles

Applications will be available in the Union for all those freshmen interested in applying for Owls and Eagles for next year.

**SUNDAY, FEBRUARY 12th - 1967**

**Editorial:** A NEW NEWSPAPER!

As stated in last week's edition of the UMPUS, the campus and the UMPUS plan to merge, forming as entirely new newspaper. The idea is to come out each week with a printed newspaper that would include all the parts of the UMPUS and the campus, plus (hopefully) several new departments.

There is, however, one large roadblock. This project will be absolutely impossible without a large and dedicated staff. The present (and small) staffs of the campus and the UMPUS hereby make an appeal to all the students on campus. We need reporters, columnists, editorialists, cartoonists, photographers, and especially people to work on the advertising staff. The only way we can afford a weekly printed newspaper is if we have a considerately income from advertising.

On this Monday, March 6, there will be a meeting in the small dining room off the cafeteria. Beginning at 2:00 p.m. anyone interested in helping with the new paper please attend. If you are unable to be there before 4:00 p.m. see Ken Jones or Roselip Young.

This new newspaper can be a great asset to our university and to the community, but only if you students want to make it so. UMP students have a notorious reputation for their apathetic "enthusiasm". Is this reputation to continue?
The classical film "Open City" will be shown in Luther Bonney Auditorium this Friday (March 3) at 4:00 p.m. and 7:30 p.m. The film, originally scheduled for last Friday, was a casualty of the "Great Storm." Tickets may be bought at the door.

On Mottos

How about this for a motto:

Non nobis solum nati sumus.

(we are not born for ourselves alone.)

"Terse Verses"

Helpful swain: "May I call you by my last name?"

The most tiresome job in the world is doing nothing, because you can't stop and rest.
