Class Ode

Our school now means so much to us;
We've passed it by unthinkingly.
Our hurried way we've spent in fun,
And now the last goodbye has come.
The years we've spent inside these walls
Seem like a treasure soon to pass.
The future calls. We must go forth.
We're well prepared. We shall not fail.

Chorus:
We say goodbye, dear high school friends;
Today, farewell. Tomorrow, hail!
Our path now lies before us clear;
We're well prepared. We shall not fail.

Our boys will leave for shores unknown:
Their duty calls them to the fray.
But friendships born while here with you
Will strengthen them along the way.
Through joys and sorrows, smiles and tears,
Our minds will broaden, grow mature.
The world to come will all be ours.
We're well prepared. We shall not fail.

THE STAR SPANGLED BANNER

Oh, say can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
Oh, say, does that Star-spangled Banner yet wave
O'er the land of the free and the home of the brave?
