LEWISTON EXCHANGE CLUB NEWS

December 19, 1947

No one who was present at the Exchange Club's First Annual Christmas Party for Underprivileged Children will ever forget the occasion. It was with a feeling of justifiable pride that we watched these unfortunate youngsters receive the treasured gifts and boxes of food we provided for them; heard their joyous squeals; and listened to the fervent thanks. Their appreciation made us all feel that our efforts were not in vain. Chairman Paul Fortier deserves a pat on the back for the excellent job. From the moment the children started arriving (about 5:30) until the last youngster was sent off with a final goodnight, everything proceeded as smoothly as any well-rehearsed performance should. Mayor Louis P. Gagne and Father Drouin were called upon for a few words and both responded appropriately. The amplifying system, furnished through the generosity of the Lawrence Music Company, was most helpful and we extend to the Gauthier brothers our sincere appreciation. Now that the Exchange Club has the experience of two worth-while projects, we feel that the club is ready to go on to bigger and better things in the future.

The showing of the pictures of the "Invasion of Normandy" by Sgt. Damon of the local recruiting station, brought out an excellent attendance of Exchangites last Tuesday noon. The magnitude of this military operation can only be partially appreciated by motion pictures, but seeing the film gives us an idea of the great job done by our engineers. It was a most interesting program.

Our next meeting has been moved forward to Monday noon December 22nd. This is a most important meeting. There will be no speaker and no guests, but the entire business period will be devoted to the election of officers. Al Fournier is preparing some special Christmas music, too, so be sure to be there. Don't forget, Monday, Decmeber 22nd.

Merry Christmas
