Pres. Shirley Smith suggested we hold an Auction Sale to raise money. There was considerable discussion of this idea, all quite favorable. It was agreed that we would need the help of our men folks in this project, also the help of some people in the Auction & Antique business. Pres. S. Smith will contact several of the local Antique dealers and report their responses. Some of the people to be contacted are - Prindle - Kimball - Pochy - Walfield - Thistle.

Pres. Smith is ordering the goods for the Purim Party, to be held on March 22nd. D. Petlock suggested having a Purim breakfast for the adults also, and have the children put on a small program. It was decided with encouragement from Hilson Kanas that we have a Purim party, lunch, program for the kiddies and of course the hamantaschen we must have because what is Purim without hamantaschen?

Pres. Smith asked cleaning man Mr. Barnett to clean floor and he asks \$50.00. Pres. will ask him again if he can do it for less. J. Kent will look onto someone else to clean floor for less than \$50.00.

A. Sedman mentioned that the sisterhood dues are not enough. She suggested we should go up. Sadie made a motion to raise dues to \$8.00 per year, this was recorded by C. Prower. Decided to table this motion until a later date!

Pres. Smith brought up auction.
 She suggested doing it on a small
 scale (a mini-auction) and have
 it in our basement. Shirley called
 Priddall and she will be auctioneer
 and will not charge for this service
 because we are a non-profit
 charitable organization.

E. Pramer suggested maybe asking
 a dealer for auction (go see)
 stuff when he is planning an
 auction of his own.

A Garage sale was decided on
 instead of an auction. This will be in
 the garage of Shirley Smith. Everybody

Report on the rummage sale - Net Proceeds \$428.50. The balance of clothes etc. - are to be taken to the Hospital Thrift Shop to be sold there.

Mrs. Greg Moyer brought more new samples of materials to be considered for our vestry windows. The selection made was one sample named 'Occasade' the color 'Sunshine'. Betty Tyler of Brunswick has quoted \$5.60 per yard - there are 27 yards necessary. The cost of material will be approximately \$151.00, less 10% discount. Everyone has approved of samples shown.

A supper is being considered, to be held on May 12. Program is being considered by our President, and she has written for program material to the Portland Jewish Community Center and is awaiting an answer.

Mrs Richard Smith has raised a question of the use of additives and or any form of chemical substance used in the feed or processing of Kosher beef or poultry or any form of manufactures or processed food that is labeled "Kosher" - and wants to know if the Kashruth laws allow this. Discussion on this followed - and our thought was - additives were not in existence or being used when our laws were made, and we will write to the Jewish Theological Seminary and Rabbi Finkelshtein in New York, asking them what if any ruling has been made on this - and perhaps suggest that an effort be made to keep our foods really clean and fit for human use.

Mrs Richard Smith has further suggested that we bring to our meetings more of our thoughts and attitudes of current subjects and movements of the world and our own more immediate communities.

Mrs Joseph Smith spoke at length on an offspring of the development of our religion - There was a very interesting and lengthy discussion.

President Shirley Smith read a ^{social service} letter - asking for a financial contribution for 'Meals on Wheels'. Sue Smith has suggested \$25.00 to be given there.

A motion was made and seconded to make available to them what is expected - up to a \$60.00 limit.

Meeting adjourned and we joined our hostess for delightful refreshments.
